## PERTH DIVISION.

The administration of the Division during the 22nd Session has been made difficult by the unusual times. Members have been exceedingly busy with duties connected with the Nation's war effort and this has been reflected in the attendance at Committee Meetings.

The 21st Annual General Meeting was held at Division Headquarters, Gledden Building, on 24th March, 1941, when the retiring Chairman, Mr. J. S. ## FINANCE.

The Auditors' Report, the Annual Balance Sheet and Revenue Account are presented with this Report. It is pleasing to note an excess of revenue over expenditure of £46/0/9.

## LIBRARY.

Further reference books have been added to the Library, and the binding of Journals has been kept up to date.

## ACTIVITIES CONNECTED WITH THE WAR.

- (a) **Tutorial Classes for R.A.A.F. Ground Staff Trainees:** Mr. F. H. Palmer, A.M.I.E.Aust., has organised and carried on these classes in Electricity and Mechanical Drawing and, for a part of the year, in Fitting Theory. He has had some willing assistants, but unfortunately not enough to adequately cope with the work. The Juniors and Students' Section has recently done much to ease the position, but instructors are still required. In spite of difficulties, good work has been done, and the Teaching Staff at the Perth Technical College and the Air Force Officers attribute much of the success of W.A. Trainees when drafted to the Eastern States to the help given them in these classes.
- (b) **Training of Munition Workers:** The classes in Workshop Practise, Mechanical Drawing and Simple Mathematics, held at the Perth Technical College for the benefit of Munition trainees, have continued throughout the year under Mr. L. L. Blair, A.M.I.E.Aust., with several assistants. Mr. C. G. Carter, Jun.I.E.Aust., is now taking over the classes, which have not been availed of fully, but have produced pleasing results amongst those who have attended.
