

Report from the Chairman

Let's start this newsletter off with some exciting news. Our ad for the IAGSDC is there in the 1987 edition of the National Square Dance Directory. Look for us on page 58. The ad is right there along with all the Square Dance Organizations and we are even indexed under "Major Organizations" My favorite part is the by-line above the organizations which says "KNOW THESE ORGANIZATIONS! Each of these organizations was established to be responsive to your needs, as a forum for your comments, questions and/or problems. Their goal is to help assure that the Square dance activity remains an enjoyable hobby." Be sure to show this listing to your club members; it is something we can all be proud of.

I've had the enjoyable opportunity to talk via phone with many of the clubs since the first of the year. And actually I am in the process of checking in with all of you. I started with the West Coast clubs and will be phoning the Midwest and East thru March. It seems that the phone link is our way of keeping in touch with one another. It is fast, personal and convenient, but also expensive and doesn't reach all of us. We need to utilize this newsletter along with the phone for best communications. So I am going to put you all to work for this newsletter. Enclosed is a 'Rep's friendly check list' that focuses on a lot of the areas we have been talking about the past two newsletters. Please fill it out and return. I hope that it will be helpful for all of us to get prepared for Portland. And Portland is getting CLOSE! The questionnaire will point out areas of common problems and possible solutions. As with any 'census', it will give us a better idea of who we are. Please make a commitment to complete and return this paperwork!

I will be sending out the newsletter on a monthly basis, instead of every other month, from now thru Portland. My love to all.

A few notes of interest:

1) If you are not receiving your convention updates be sure to contact the convention committee at:

Explode The Rose '87
c/o Rosetown Ramblers
P.O. Box 5352
Portland, OR 97228

2) The 1987 Convention Committee is accepting donations from anyone who would like to help out financially with this year's convention. Names of those who donate \$25 or more will be listed in the convention program. If you wish to help, send your donations to them, 'Attn: Jessica'. Checks should be made payable to 'Explode the Rose'. Please tell them us how you wish to be listed on the sponsors' page in the program.

3) The IAGSDC Banner travels with an accompanying "Travel Book". Be sure to fill it out before forwarding to the next stop.

NATIONAL CLOGGERS ASSOCIATION

The National Cloggers Association, ® along with the Festival of Champions, ® was formed in 1971. In October 1972, cloggers from several states and countries attended the World Clog Dance Championships® and the first annual National Cloggers Convention®.

There were many styles of clogging and several names for the same step. It was determined that there was a need for a school for cloggers. The Clog College was organized in 1975 and is held annually. This led to the formation of CLOGGERLAB, the professional association of clogging instructors. Members of CLOGGERLAB operate the Clog College and the Mountain Square Dance School while the Festival of Champions® conducts the World and National Clog Dance Championships®. The National Cloggers Convention® is sponsored by the National Cloggers Association®.

All cloggers and friends of clogging are invited to join the National Cloggers Association®.
