The Cleveland City Country Dancers invite you to join us at our fifth LOAD THE BOAT Fly-In.

This year promises to be our best yet. In addition to two great callers, we are offering C1 for the first time. We have also added some new attractions and improved on some of your favorites.

Our infamous boat cruise has been combined with a luncheon, which frees up a morning for you to visit our great city. We will have a list of attractions and sites for you to see on your own or in groups. Our newest feature is the Rock and Roll Hall of Fame. We are arranging for a group tour of this facility.
