

STARS, THARS & CABLE CARS

SAN FRANCISCO

1996

**The 13th Annual I.A.G.S.D.C.[™]
Convention**

JULY 3 - 6, 1996

Registration Booklet

**To our friends and members of the I.A.G.S.D.C.™,
a Gay and Lesbian Organization**

The **Stars, Thars & Cable Cars** Convention Committee would like to invite you to join us for the thirteenth annual I.A.G.S.D.C.™ Convention. From the beginning trail-in dance on Wednesday, July 3rd to the convention conclusion and trail-out dance on Sunday, July 7th, we've planned for the annual reunion of friends, fun and dancing that we know will make this a convention to cherish and remember.

Of course, if you'd like to plan to make this a vacation in San Francisco, we can offer you a very large party to attend on the Sunday just prior to the trail-in dance. On Sunday, June 30th, the San Francisco Gay and Lesbian Pride Parade and Celebration will be held. This event normally draws crowds of nearly a half million people and is an all-day event. Beginning with the famous "Dykes on Bikes", the San Francisco Pride Parade and Celebration is one of the largest and most well known celebrations of its type in the world. The **Stars, Thars & Cable Cars** Convention Committee will be organizing a contingent for the parade so that you can join in and square dance through the streets of San Francisco to live callers.

Many of you are already familiar with San Francisco and the lovely Bay Area, so we won't go into a great deal of the amenities that our fair city has to offer at this time. Suffice it to say that San Francisco is a very cosmopolitan town, small, only 49 square miles and filled with just about every type of entertainment, eatery and lifestyle imaginable. We'll fill you in on many of the jewels that the city has to offer as we continually keep you updated in our newsletters and on our World Wide Web Page. Whether you've been to San Francisco or not, we'll give you information about many of the city's hidden treasures i.e. entertainment, walking tours, restaurants and fun that you can have "on any budget".

So make plans ***NOW*** to join us in San Francisco in 1996 and be **Stars**, make and remake the **Thars** and even ride **Cable Cars**.
