Gay Callers Association

# SCHEDULE

# 2001

We would like to thank the Make Magic Committee for the opportunity to entertain you this weekend!

The Gay Callers Association is an organization of professional and recreational callers who work for gay and lesbian square dance clubs. GCA membership does not necessarily denote the caller's sexual orientation, experience, skill, or education.

The GCA does nurture and train new callers, but GCA callers are not necessarily beginners! Many of our members are veteran professionals, who have volunteered to entertain you this weekend! We hope you enjoy the efforts of the GCA members who will be calling at Make Magic!
