To our friends and extended family of the IAGSDC™

We are thrilled to welcome you to Phoenix on behalf of the members of The Desert Valley Squares, Arizona's Premiere Gay and Lesbian Social Square Dance Club. We're so glad you're finally here!

From concept, nearly 7 years ago, to the final product today, our goal has always been to put on an outstanding convention for you. Our focus has always been on your experience as a dancer during this event, and we feel we have successfully planned an IAGSDC™ Convention that will long be remembered as one of the best ever.

We've made many decisions along the way and changed our original plans a bit, but we've always kept our goal in mind, and we managed to include everything we wanted for you, and even added in some nice extras we think you'll enjoy.

The members of Desert Valley Squares have been the life blood of the convention planning process. Their encouragement and cooperation have driven us forward and made it possible for us to put together a great weekend for you.

The staff members involved in putting on this event, including the Arizona Biltmore Resort, BLG Designs, Dancing Delight Dance Floor Rental, Alstrin Photography and others are top notch, and have gone above and beyond the call of duty to help us make this event special.

Remake The Heatwave is the culmination of a lot of planning and hard work, but none of it means anything to us until the dancing begins and you start having a great time. Now that you're here, we can finally see our dream become a reality.

In the spirit of Dr. Ted Oakes and those who have come before us, Let's Get This Party Started!!

Enjoy!

On behalf of the Board of Directors of the *International Association of Gay Square Dance Clubs (IAGSDC)* I would like to welcome you to the 21st Annual IAGSDC Convention, *Remake the Heatwave*. I would also like to take this opportunity to publicly thank the *Remake the Heatwave* planning committee for all the time, energy, and devotion that was required to make this event a reality. Additionally, I encourage all those in attendance to express your gratitude to the convention chairs and the members of the Desert Valley Squares for voluntarily giving part of their busy lives so that we, as a community, have the opportunity to join together in their beautiful city to celebrate the art of Square Dancing.

For more than two decades our community has gathered together to participate in what is now, for many, an annual tradition. As the years have passed since our first meeting in Seattle, our numbers have continued to grow. Presently more than 1,000 dancers and their friends travel to the site of the IAGSDC International Convention. Each year we anxiously look forward to yet another opportunity to explore an exciting new city, meet with old friends, develop new friendships, and kick up our heels on the dance floor.

My wish for those attending *Remake the Heatwave* is that you make the most of your time in Phoenix. We have been given the golden opportunity of participating in one of our favorite activities in a beautiful location with the people that we love. It is your duty and your responsibility to take advantage of what has been presented to you.

Whether you are attending your first, seventh, or twenty-first convention, I hope you truly enjoy your experience in Phoenix.

See you in a square,

Scott Parker

GREETINGS!

As Governor of the State of Arizona, I would like to welcome you to Arizona. I hope that you will enjoy your stay here as you attend the 21st annual convention of the International Association of Gay Square Dance Clubs, to be held July 1-5, 2004.

There's no place on earth quite like Arizona. Our pride and joy, the Grand Canyon, is one of the Seven Wonders of the World; yet we are also proud of our Petrified Forest, our sixteen National Monuments, our snow-capped mountains and ~~pristine~~ deserts. These historic sights, plus others of equal beauty and significance, ~~marveled our~~ Native American predecessors, and our pioneer ancestors and they continue to draw thousands of visitors today.

Arizona has an extremely diverse cultural history that brings a vibrant blend of traditions to our unique southwestern lifestyle. Our storied past reaches back thousands of years and our future is as bright as the Arizona sunshine. Many people, many lands and many faiths have come together to make Arizona an unforgettable travel destination.

I hope that each of you will take the opportunity after your gathering to go to a professional sporting event, visit one of our outstanding universities, or do business with our cutting edge industries to get a better sense of Arizona's warm hospitality and unique culture.

Enjoy your stay and come back soon!

Yours very truly,

Dear Attendees,

Welcome back to the City of Phoenix for your 21st Annual Convention of the International Association of Gay Square Dance Clubs. I wish you the very best on your ***Remake the Heatwave*** being held at the Arizona Biltmore Resort & Spa from July 1-5, 2004.

The event has grown over the years and I am pleased that over 1,200 participants are expected for this year's weekend long festivities. I congratulate you on all your hard work. After sixteen years, it is a pleasure to welcome square dancers, family, friends and spectators from around the globe back to the Valley of the Sun!

Warm regards,

Mayor Phil Gordon

Dear Friends:

It is with great pride that I welcome the 21st Annual Convention of the International Association of Gay Square Dance Clubs back to the Valley of the Sun. Phoenix is honored to host Remake the Heatwave for five days of square dancing and fun.

In a time of diversity when gay and lesbian issues are on the forefront of political debate, it is gratifying to know that over 1,200 participants with an international presence will be representing the GLBT community in a positive way. Congratulations for contributing to such an important event.

The Valley of the Sun wishes you all good luck and many safe returns.

Greeting and Salutations,

Welcome to the "REMAKE THE HEATWAVE" weekend. I hope you will enjoy the warmth and hospitality of Arizona as you Do-Sa-Do through our great state. The members of the Desert Valley Squares have worked diligently to plan the 21st convention of the International Association of Gay Square Dance Clubs. I am sure the planned dances and numerous callers will leave you with little time to tour our city and state, so I encourage you all to return often and experience the hospitality of Phoenix.

The state of Arizona has many attractions to interest visitors. In Phoenix, we have great nature hikes, bike paths, and shopping centers for the energetic. Several of you may tour other towns in Arizona, which have their own charm and enticements. For those who prefer relaxed days in the sun, we have turned on the heat for you. I hope to have an opportunity to meet with you all and personally welcome you to Phoenix.

Welcome to Arizona and to Phoenix. Enjoy your visit!

PROMOTING - NETWORKING - SOCIALIZING

Dear 20004 IAGSDC Convention Attendees,

On behalf of the Greater Phoenix Gay and Lesbian Chamber Of Commerce (GPGCLCC), I would like to welcome you to the "Valley of the Sun." The Greater Phoenix area has over 340 days of sunshine, world-class shopping, dining, cultural attractions, recreational experiences take-your-breath-away scenery and over 34 GLBT bars and nightclubs for your enjoyment.

Despite what you may have heard, Arizona is not as conservative as you think. In fact, the State of Arizona has more openly gay elected officials than any other state. And according to the 2004 Gay and Lesbian atlas, Arizona is now ranked number 7 for the highest concentration of gay male couples, number 10 for the highest concentration of lesbian couples and number 5 for the highest concentration of same-sex couples with children. We are proud to be a welcoming and inclusive community.

On average, over 280 people move in to the valley each day – that's over 8,000 a month. A house is built every minute and Phoenix has more swimming pools than any city in the world and more boats per capital than any other U.S. city. The Greater Phoenix area has seen amazing population growth during the past few years. In 2001, the Chamber averaged about 80 members, as of April 2004, we had 333 members. We continue to grow stronger every day.

We encourage you to make use of the brand new "Official Gay and Lesbian Travel Guide to Arizona" tourism brochure and the 2004 GPGCLCC Business Directory to find out more about who to call, what to do, where to stay and where to play!

We hope you enjoy your conference and your stay. Again, welcome to the Greater Phoenix area.

Sincerely,

Michael McFall

How To Read The Schedule

Specialty Tips

Specialty Tips are set up for those who share a common interest in an area outside of square dancing, or who like a specialized type of calling. The following is a description of the pre-scheduled Specialty Tips.

Women's Tips (Friday, 7 pm and Sunday, 5 pm) - For those self-identified as women. Everyone welcome. Hosted by The Women of Desert Valley Squares and T-Squares. Called by a cooperative effort of The Women of the Gay Callers Association.

Bears (Friday 8:30 pm) - For those of hairy disposition and/or large girth, and their admirers. Bare chests recommended.

Munchkin (Sunday 2:00 pm) - For people of short stature, under 5 foot 6 inches (170 cm).

Redwood (Sunday 3:00 pm) - For tall people over 5 foot 7 inches (180 cm).

Medallion Tip & Photo (Saturday 8 pm) - In honor of recipients of the 10- and 20- year medallion. The first tip will be for this year's recipients only (and as many as needed to fill in the last square). A photograph of all 10-year medallion recipients will be taken during this time.

Moonshine (Saturday 10 pm) - (Un)dress code required, footwear recommended for your safety. No alcohol, no photography, no entry after doors close (@ 10:10), bags checked at door.

Move-On (Friday 3:00 pm) - Enjoy the magic as the caller directs the dancers to progress from one square to another, around the room, and end up back at home.

Leather (Saturday 8:30 pm) - Leather dress code recommended. Major piece of leather or rubber equivalent (e.g. pants, chaps, vest, harness) or disciplined services uniform requested but not required.

Bring Your Own Specialty Tip (Sunday 9, 10, & 11 am) – These times are not scheduled, but are available for you to program your own Specialty Tip. Use the Announcements Bulletin Board in the Conference Center Lobby to claim and announce your time, and find a GCA Member caller to volunteer to call.

Special Events

Caller School Dance (Thursday 2:00 pm) - These are the students of the GCA caller school held Monday - Wednesday. Students may range from fairly experienced callers getting a review of their calling techniques, to beginners who first picked up a microphone Monday.

Grand March & Opening Ceremonies (Friday 4:00 pm) – The official opening of convention. You will gather with your club in the Arizona Biltmore Ballroom, march in groups of four to the Frank Lloyd Wright Ballroom, then follow a Grand March Marshal, who will lead you to the right place. You will be outside for approximately 2-3 minutes during the walk from building to building.

Honky Tonk Queen Contest (Friday 10:00 pm) – A beauty pageant of sorts. We use the word beauty very loosely. An annual tradition. Open Seating in the Frank Lloyd Wright Ballroom. Doors open approximately 30 minutes before the show begins.

Two-Step & Country/Western Dance (Saturday night) – Two-stepping and line dancing for both experienced dancers and beginners.

Contra Dance (Sunday 6:00 pm) – Much of what we do in Modern Western Square Dancing has its roots in other dance forms, including Contra dancing, an original American Folk Dance. Enjoy this 3-hour special event featuring Round The House, a live four-piece band from Tucson, AZ, and callers Chris Ricciotti and Laura Johannes of the Boston Uncommons in Massachusetts, Claire Zucker, who is a member of the band, and possibly others.

Fun Badge Tour (Monday morning) - A city tour with dancing at various locations

Workshops

No Holds Barred, Take No Prisoners (Sunday 4:00 pm) - For experienced dancers at their most proficient program. Callers will call difficult material or moderately hard material at full dance speed. As long as one square is alive, callers are not to lower the difficulty level. Please dance at the level where you are most proficient so that this hour is successful for everyone. Many dancers choose to drop down a level for this hour!

Introduction to Next Program (Saturday 2:00 pm) - For experienced dancers of their existing program, who would like to learn some calls and concepts from the next level. Please continue to dance in the hall for your existing level. Intro to Plus will be in the Mainstream hall. Intro to Advanced will be in the Plus hall. Etc.

Callers

For brevity, callers are referred to on the schedule by first name only, with initials as necessary. They are:

Andy Shore, Anne Uebelacker, Barry Clasper, Ben Rubright, Bill Haynes, Bronc Wise, Ett McAtee, Michael Kellogg, Mike DeSisto, Mike Jacobs, Randy Dougherty, Sandra Bryant, Vic Ceder

Showcase and other featured Callers - These are experienced non-staff callers invited by the convention programming committee to call at the convention. You'll hear and dance to these callers at 9:00 on Saturday and Sunday mornings.

GCA Callers - These are members of the Gay Callers Association, who will start most hours with a 10-minute tip while staff callers are changing halls. Many of these callers will have a fair degree of experience. Please refer to the GCA Caller Schedule included in your registration packet.

Meetings

IASDC™ Delegates (Friday 8:00 am) – Each IASDC™ member organization sends a delegate and an alternate delegate to this meeting where most of the business of the Association is handled.

AA Meetings (11 AM Fri. & Sat., 3 PM Sun.) – A one-hour meeting is scheduled each day. Please note that the location changes on Sunday.

SMART (Self Management And Recovery Training) Meetings (10 AM Fri. & Sat., 2 PM Sun.) bring science and reason to self-help groups for addictive behaviors involving alcohol, drugs, and anger, etc. Some people attend SMART meetings and AA meetings, finding parts of each approach they can use on their own road to recovery.

Club Development (Friday 1:00 PM – Prescott) - This meeting is for those individuals who are interested in forming a new club, or are in the process of forming a club and would like input and suggestions from the Club Development Committee and existing clubs.

It will be a relaxed format where information and ideas can be shared and to discuss problems that new clubs have been dealing with.

Town Hall Meeting (Friday 2:30 PM – Prescott) - The Town Hall Meeting is a feedback meeting that individual club members can come to and express issues that they are having, either in their own clubs or as members of the association. Though it would be nice to have an open discussion, there maybe time limits on discussions so the issues can be worked on over the next year.

All Join Hand Foundation Seminar (Sunday 2:30 PM – Prescott Room) – All Join Hands Foundation invites you to a free seminar entitled **Charitable Giving 101** presented by Ken Kildad. Ken is a Financial Advisor with Merrill Lynch who specializes in assisting private individuals and business-owners in managing their complex financial needs – including investment consulting, retirement planning and estate planning just to name a few.

This seminar is the first of its kind at an IASDC Convention and is intended to provide general 'charitable giving' answers. There will be NO Solicitation of contributions whatsoever. Satisfy your curiosity, stop by and see what it is all about.

Convention Planners Meeting (Sunday 4:00 PM – Prescott) – The open format meeting for those who are or may be interested in hosting a future IASDC™ convention and those who have done it before to share ideas and ask questions about the process. You do not need to be actively involved in planning a convention at this time in order to attend this meeting.

"Remake the Heatwave is great, but
all this dry air is killing my skin!
Where can I find a nice moist heat?"*

Well, Tami called her personal Realtor® Bob Young and moved to the Greater Fort Lauderdale Area. There, our diva-divine found **everything** she could possibly want!

- 23% average increase in property values for the past 3 years
(source: Broward County Property Appraiser)
- One of the largest and fastest growing gay communities in the country
- 40,000 gay, lesbian, bi and transgendered people over the age of 60
(source: Miami Herald, 5/22/04)
- Easy access to beaches, oceans, rivers, canals, Everglades and — oh, yes — KEY WEST!
- Magnificent mid-century homes just aching for some fairy dust — or already "dusted" for the architecturally challenged!
- AND, domestic partner registration (OK, so it's not a Massachusetts wedding! At least there's no snow!)

So, whether you are considering a mid-life crisis, still young or young-at-heart, it's time you explored moving to the Fort Lauderdale area — your friends are already here!
