

ANYWHERE SQUARES is a network of geographically dispersed dedicated dancers. We are dancers who enjoy and feel connected to gay square dancing, but are mostly without a home club nearby.

We have a neat badge, an E-list of our very own, and we plan to get together at selected fly-ins and conventions.

Membership is open to anyone who supports the goals of the IAGSDC. We especially want to reach out to displaced or isolated dancers. Thus we would welcome:

- Dancers who moved out of the area of their club (and are no longer near an IAGSDC club).
- Dancers whose IAGSDC club has disbanded.
- Dancers who prefer gay square dancing, but have to drive a long distance to reach an IAGSDC club (perhaps can't dance regularly).
- Dancers who left their IAGSDC club after breaking up with a partner.
- Others who want to join us.

Please feel free to pass on our contact information to anyone, but especially to dancers who are not a member of an IAGSDC
