Terms and conditions for dancing at the DCDC Convention:

TNP = TAKE NO PRISONERS If your square melts, you may spend a lot of time standing around — not for the faint-hearted.

HOT HASH No tricky calling but fast-paced with possibly deep stacking

DBD = DANCE BY DEFINITION Unusual formations and if you know your definitions, no problemo (oops, except for them other people in your square!).

SPECIALTY TIPS:

And Now for Something (NOT) Completely Different

For those of you who are ready to get a little bent

CIPHER SQUARES Your mission, if you accept it, will be to decode all calls and dance with phantoms!

DIAMONDS ARE 4EVER The formation that's every girl's best friend

LEFT = BEING IN THE RIGHT BRAIN Doin' What Comes Unnatur'lly

MIRRORS = THROUGH THE LOOKING GLASS Your beau's your belle, your right's your left ... can you read the writing upside down, reversed?

PICKLE UP A DOODLE A visiting-couples call with lots of turning and reversing — more fun than a haystack full of monkeys

PROGRESSIVE SQUARES For when seven other dancers aren't enough

SIAMESE SASHAY As couples, in tandem, and way unnatural

SIX COUPLE SQUARES Two extra couples, and where will they go

SPIES OF THE SILVER SCREEN James Bond, George Smiley, Jason Bourne — are you sure you know who your corner is!?

STAN WINCHESTER Singing Calls (taped) with Ett em-cee

WICKED PLUS "routine" calls but with wicked twists
