Musical Nerdity!

Labyrinth (Deck 3 Fore)

8:00p Monkey Brains Quiet Hours

Skylight Chapel (Deck 15 Aft)

ANNOUNCEMENTS

Due to a request from the Temporal Naval Authorities, the **Group Photo** will assemble at 3:30pm in the Alhambra theatre (instead of 4:00pm).

The Seamonkey has previously reported that the **Cloud Nine**, **Olive or Twist**, and **Seven Hearts** rooms are on Deck 14 Fore. Due to a Space-Time Discontinuity they will appear to all as if they are located on Deck 14 Aft.

Anytime a Sea Monkey needs quiet time, we recommend a visit to the Skylight Chapel (Deck 15 Aft). **Monkey Brains Quiet Hours** will be held 8-9pm each night.

Jim Boggia is filming a **Sea Monkey Ukulele music video** at 1pm at the Main Pool Bar (Deck 11 Mid). Bring your uke for the video and to rehearse for Thursday's show!

LEVEL UP YOUR ADVENTURE

ASK SCARFACE

Dear Scarface,
What is the Confraternity's position on the relative merits of Paul vs. Storm? A ferocious debate rages among the Sea Monkeys.

-- Conflicted

Dear Conflicted,
It's true that there has been some history of dissent on this point, but I speak with the weight of unanimity when I say the Confraternity has resolved itself on this crucial issue. STORM is the only reputable member of the duo. Paul couldn't even remember the harmony to "Title of the Song," which he co-wrote!
--Scarface

Dear Scarface,
When do you think Pat Rothfuss will finish the third book in the Kingkiller Chronicles? Some of us are getting impatient!

--George R.R. Martin

Dear George R.R. Martin,
Please write, and write faster!
Those who live in glass houses &c.
--Scarface

Dear Scarface,
I carry a terrible burden. Having borne the Ring these many years, I cannot take my mind off its Terrible Power. Though it be destroyed, I am weary beyond my years, and I yearn for rest that Middle Earth cannot provide.

--Frodo

Dear Frodo,
Have you considered a Caribbean cruise? Find all the rest you need on next year's JoCo Cruise 2016— onboard booking is open now!
--Scarface

A SWIFT SONG by JRR Tolkien

Ne'er Miss a Beat, I'm on my feet
And That's What They Don't See.
I'm on my Own, I dance Alone
I make the Moves up As I Go.

Cruising I keep, Grooving I keep
As though I've got this tune,
Within my mind, saith all the Time
That it will be All Right.

For the Haters will hate, and Hate.
And the Players will play, and play.
But I intend to Shake, and Shake
Shake it Off, Shake it Off.

THINKGEEK
JOIN IN. GEEK OUT.
