A MESSAGE FROM DR. MONICA BRUNELLI

It looks like a few colorful crew members have gotten an eentsy-weentsy condition due to some sort of strange bite. You can count on them to give you important information on how to keep this from spreading. Also, go to Sea Monkey HQ if you want to see a method I've used to track the situation. Good luck!

Day 2 - Sunday, March 5, 2017

A T S E A

Weather: 70°F / 21°C, Partly Cloudy

“Read on and I will tell you what to do in the future to avoid getting smashed and find yourself with nothing but little pieces of drift floating around in the ship's wake.”

- John W. Trimmer, *How to Avoid Huge Ships*

SPONSOR SPOTLIGHT Greater Than Games

Stop by the display area in the ship's shops (Deck 3 Forward) any time from 3:30-5:00pm to check out Greater Than Games's products—and meet the friendly folks who make them. (No purchase necessary, but you'll probably want to!)
