Day 2 - Monday, February 19, 2018

A T S E A

Theme: **SPACE!**

Weather: 70°F / 21°C, Partly Cloudy

"The sea is only the embodiment of a supernatural and wonderful existence. It is nothing but love and emotion; it is the 'Living Infinite'...The globe began with sea, so to speak; and who knows if it will not end with it? In it is supreme tranquility."

— Jules Verne, *Twenty Thousand Leagues Under the Sea*
