CABO SAN LUCAS

Theme: COSPLAY!

Weather: 75°F / 24°C, Partly Cloudy

Arrival: 10:00am Last Tender: 4:30pm

"Ariel, listen to me: the human world, it's a
mess. Life under the sea is better than anything
they've got up there!"

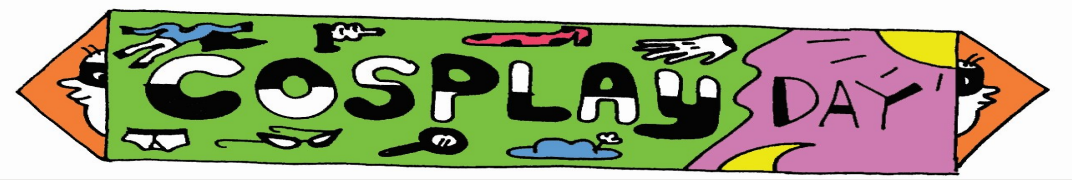

— Sebastian the Crab,
Major-Domo, Kingdom of Atlantis (fl. c 1700 CE)

AVAST!

Captain's Log: Yaar-date 2018.2.20

Morale remains high, though we have now been two
days at sea and have yet to take a prize. It would
appear that the silver fleet to Manila is late this
year. But hark! On the horizon, a gleaming city:
Cabo San Lucas. The crew will surely be pleased.

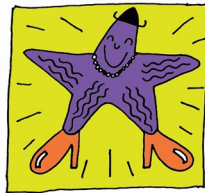

For event descriptions, please refer to the four-page daily schedules posted on decks 2, 3 and 9; the Holland America Navigator app; or the Info Desk on deck 1.

THE CABO GLASS-BLOWING MUSEUM(?)

The Cabo Glass-Blowing Museum (a real place!) welcomes Sea Monkeys interested in learning how glass is blown. We apologize for the unfortunate incident during last year’s cruise, in which we were alleged to exist and, sadly, did not. Rest assured, we have rectified this oversight, and look forward to welcoming visitors to our real, live museum. Don’t miss the 100% real and very non-fictional glassworks of Cabo San Lucas: the Glass-blowing Capital of Baja. ^[citation needed]
