AWAY!

Homeward Bound

Has it really been six days? After all the music and comedy and gaming, we come to it at last: the final full sea day of JoCo 2018. The days have gone down in the West, behind the hills, into shadow. How did it come to this? If only we could look forward to one day spending another week together on the Oosterdam, perhaps with some Giants, on a different Sea. What's that? Will that Future Be Soon? (Hint: Yes.)

For event descriptions, please refer to the four-page daily schedules posted on decks 2, 3 and 9; the Holland America Navigator app; or the Info Desk on deck 1.
