WHEN & WHERE

SATURDAY
March 7, 2020

WELCOME SEA MONKEYS

Here are some words of wisdom from the members of The Management as we embark on the 10th JoCo Cruise:

Paul: “Make it a goal to meet at least five new people on the cruise. You don’t have to become best friends afterward, but if there’s one thing I’ve learned over ten years of cruising and several decades of touring it’s this: everyone is interesting. Also, if you fart in the elevator, have the decency to claim it.”

Storm: "Some of the best experiences I've ever had came in the wake of things going completely off the rails. (Literally, once.) Stay open to new opportunities, and you'll always have a great time."

Drew: “Always make a full and accurate declaration to US Customs; Bigger is not always better but it is always bigger; The full text of the canonical version of that joke about the guy who cleans up elephant shit for the circus.”

Jonathan: "Also, wash your hands."

NOTES FROM THE SCARDESK -
WHAT GIVES; OR, WHO MOVED MY CHEESE?

The most observant amongst the returning Sea Monkeys may have noticed a few small changes since **JoCo Cruise 2019**, and rather than gaslight you by pretending nothing was altered, we decided to address them head on:

•**THIS IS A DIFFERENT BOAT.** Yes, really! I know it looks very similar and has many of the same venues in the same places, but honestly it's a different vessel. I know this because I carved "Scarface wuz here" into the window in cabin 4044 last year and it isn't there now.

•**THE SCHEDULE IS ON A SEPARATE PAGE.**

Yeah, we debated about it for a while but the schedule sometimes required an extra insert anyway, and we think it's easier to carry a normal 8.5x11 sheet around the ship with you than this custom-sized behemoth. You're welcome.

•**WHERE'S THE TACO BAR?**

Oops. We left it behind on the Oosterdam during pickup last year. Fortunately, **JoCoBot** was able to use its extraordinary interpersonal skills to negotiate 24x7 pizza from NEW YORK PIZZA located on the **SEA VIEW DECK ON DECK 9 AFT**.

And though the Dive-In is still the Dive-in,for our sailing it has Beyond Burgers and Sausages in addition to its usual awesome fare.

MEMORY WALL

This year, in honor of our ten years of sailing, we've brought in a big partition. You know, like they have in offices—but this one, rather than made to separate people with cubicles, is made to bring Sea Monkeys *together* with *memories*!

This Memory Wall will live in the ship's art gallery (**DECK 3, MIDSHIP**) it'll have sections for each year of **JoCo Cruise**, and anyone and everyone can hang photos of their own memories and check out ones other folks have pinned up. (Note: all memory wall contents will be recycled on the afternoon of day 7, so if make sure you are either okay with leaving anything you put up, or be sure to reclaim it before the end of the trip!.)

ACROSTIC O' THE DAY

Just because you are
On land most the time,
Certainly
One

Can hitch a
Ride on a ship of
Unusually large size
In the company of
Sea Monkeys like you and
Everyone else on the voyage

SMOKE AND MURDERS by Emily Flake

STORMOSCOPES

The stars, speaking through Storm, who might have been slightly intoxicated

- Aries: Where did I put my wallet? I mean, I only ever put it in three places, and yet... oh nevermind. It's in my hand.
- Taurus: Say it out loud, like, twelve times: "TOR-us... TOR-us... TOR...us..." Wow what a dumb-sounding word.
- Gemini: You've you've heard heard many many versions versions of of this this joke joke before before..
- Cancer: If you keep asking, someone might give you a cookie. Or they might not. Carry a cookie around with you today.
- Leo: All we are is dust in the wind. Dude.
- Virgo: Try something new that's actually something you've done before, but that you totally forgot about because it just didn't click with you, but this time WOAH! And then you remember the first time you tried it. Gain +3 Wisdom.
- Libra: Your friends will talk you into buying a really awesome but kind of expensive (for you) shirt. This is how you know they are good friends.
- Scorpio: I'm thinking of a word that begins with "S" and ends in "corpio." You are, too.
- Capricorn: You are a horn-shaped basket of vegetables, tumbling out onto a table. Oh wait; that's a cornucopia. You are both of these things. And more. Wow you're great.
- Aquarius: Why did your sign get that hippie-hippie trippy song? Whatever; OWN IT! You will meet The Fifth Dimension today.
- Pisces: 🎵 Pisces trees of green, red roses too, I see them bloom, for me and you. And I think to myself: you're a Pisces. 🎵

LIBATION SENSATIONS

As in prior years, we worked with the ship to freshen up the drink list, just for us. And this year we also devised a couple of very special, and very cute, drinks; see if you can spot them! (One of them has a non-alcoholic option as well.) Beyond that, you can ask your server to "make my drink undead." (Not recommended if you do not want a floating eyeball in your drink.)

ASK JONATHAN

Dear Jonathan,
I just read in the When & Where that there's no taco bar this year! What gives?
---Concerned Tacotarian
Dear oddly prescient,
The Taco Bar by the Lido Pool is actually there, but it's only visible to Level 65+ paladins. Luckily, the Nieuw Amsterdam has a Taco Bar In All But Name (TBIABN) at the Lido Buffet that ALL can see and use. Also, how did you manage to get your question into the same issue of the When & Where? That's... impressive.
---Jonathan
