DAILY JOCO NEWS

WELCOME, NEW CRUISERS!

As we step onboard JoCo Cruise, we extend an extra-special welcome to all the new cruisers. We're thrilled that you're joining us. It's going to be an amazing week. Of course, even though some of us have been on previous JoCo Cruises, it's our first time aboard JoCo Cruise 2024, so in a way, we are all New Cruisers*. So today let's all focus on welcoming each other aboard our first JoCo Cruise 2024! Bon voyage!

*Though mostly, the actual new cruisers are the real New Cruisers

SPLASHDOT RETURNS

JoCo Cruise has its very own daily newsletter—a cruiseletter, if you will—called Splashdot. Splashdot is found as a forum category on Twit-arr*. When we have extra space on this Daily Schedule (which is rare), we'll share a few Splashdot excerpts. But if you want the Splashiest/Dottiest experience, read Splashdot on Twit-arr each day for Announcements and Other Great Stuff.

*Twit-arr is JoCo Cruise's online messaging platform, available on WiFi whether or not you've purchased an internet package. If you didn't get a sheet in the Terminal about how to access Twit-arr, visit the Help Desk in the Atrium on Deck 1 midship.

SHARING IS SHARING

Remember to tag #JoCoCruise when you post cruise content to your favorite social media platforms.

MAKE IT FANCY(ER)

Looking to get a little...fancier? Stateroom upgrades are available onboard—including a very limited number of Neptune Suites! If interested, stop by the ship's Guest Services desk (in the Atrium on Deck 1) for info about pricing and availability.

A GAME IS AFOOT

Hello, it is I, your old pal JoCoBot—the artificial intelligence Jonathan Coulton created to do all the tedious parts of being an internet Rock Star / Cruise Mogul. I hope you'll come visit me in the Atrium this week. In particular, you might be interested to learn about JoCo Clues, a little Murder Mystery game I've put together. Drop by and ask me about it for more details. And keep your eyes on Splashdot, you just might find something helpful there.

5-3-1 AND WE ALL HAVE FUN

Merriam-Webster Dictionary defines "overstimulated" as "excessively stimulated," which seems to us as circular and frankly rather lazy. Were they a bit more engaged in their work, like your obedient correspondents here at Splashdot, they might instead have written:

Hey! There's an incredible array of Boaty Goodness happening this week. Like: a lot, a lot. So much Goodness that it is actually impossible to take it all in even though you might just try to do so. To get the most out of your week, try to remember the 5-3-1 rule:

- 5 - Get at least 5 hours of sleep each night
- 3 - Eat at least 3 times each day
- 1 - Take at least one shower or bath each day
