Gosh, this ocean thing is bigger than we thought!

JOCO'S CLUES DAY 3

It isn't easy being green. We're told you can see a lot of strange and wild things in the performer's Green room and in the Backstage hallways...which is one reason why those areas can be hard to get into. When it comes to murder, this much we know: the Wang Wang, the Guitar, and the Gold Leader cape weren't able to get past the velvet rope.

STORMOSCOPES PART 1

Scorpio	Everyone knows that yours is the most badass sign. But tell them anyway.
Capricorn	You are the GOAT Today. And every day.
Aquarius	When the Mooooooon is in the second house...and Jupiter...you get the picture.
Pisces	You will turn into an actual fish. Then you will turn back while you sleep.

JoCo Quick Facts—March 11, 2024:

Nautical Miles Sailed: 0 (we are not a sailboat)
Wang Wangs Consumed: 248.
Gross Board Game Cargo: 1.2 tons
Per Capita Whimsy Generation: Moderate to Severe.
