A LETTER FROM PAUL TO THE JOCONAUTS

HAVE YOU SEEN THIS (LEGO)MAN?

Alert! The Paul MiniFig has gone missing from the Lego Display in the Atrium. Has he been abducted? Is he attempting to escape justice? Has he retreated into the desert to build an army of holy warriors to retake power for House Atrium-des as the Kwisatz Haderach? Mysteries abound. If you have any information on the whereabouts of our cherished Paul MiniFig, ~~please run up to real life Paul and tell him all about it~~ please contact the Info Desk!

Port of Call: Puerto Plata

Today we arrive in the Dominican Republic! Puerto Plata, Spanish for “Silver Port”, is our base for any number of fun onshore activities, from HAL Shore Excursions to rainforest waterfalls and beaches, to good old-fashioned aimless meandering. There is also a cable car! Or maybe you’d prefer to chill on the boat and plot your next move. It’s all in the mix, but please be back well before we sail away at 4:00pm (All aboard Time is 3:30 pm).

STORMOSCOPES, PART THREE

Leo	Mane 'n Tail isn't just for horses, y'know.
Virgo	You might be young. You might be neat. You might be holding a stalk of wheat.
Libra	Today you will be so balanced that you could lift both your legs while standing and not fall down.
Sagittarius	Take a bow. And arrow. Have fun, but be careful!
