JOCO'S CLUES DAY 7

(Note: JoCoBot will be deactivated at 12 noon today, so get your answers in before then!)

The Writer Wronged? Let's be honest here, folks: Scalzi may be guilty of certain crimes, but they are almost all burrito-related. Does anyone really think he has the upper-body strength for murder? Krissy Scalzi, maybe! But not the story scribbler himself. It's time to declare him innocent. But maybe he'll put the murder in his next book!
