DAILY JOCO NEWS

Interview with a Board Game Librarian

Our Games Reporter stopped by the Game Library yesterday to hear from the experts behind the concierge desk. Derek and Stephanie, both on their fourth JoCo cruise, reflected on the gaming business so far. "We've had a lot of interest in *Splendor*, *Wingman*, and *Lost Cities* so far". Asked what games they'd recommend cruisers check out, we got the following:

Derek recommends *Fox in the Forest*, a two-player card game based on euchre that's easy to learn, quick to play, and beautifully designed. Stephanie put in a pitch for *Good Puppies*, a game for 2-5 people that revolves around adorable dogs burying bones. "I have witnessed huge gaming bros get really competitive with their puppies," she warned.

We'll be careful, Derek and Stephanie!

Fox in the Forest and *Good Puppies* can both be found at the Games Library in the Main Dining Room.

Stormoscopes, Episode VIII

Leo: Beware the Kuiper Belt today.

Cancer: Everything you love will be crabs.

Capricorn: We've been trying to reach you about your car's extended warranty.

Scorpio: Well, that's like, your opinion, man.

Bally-hoo: It is happening again.
