Hi Caryn Ann,

Happy 250th Birthday U.S.A. and Happy 150th Birthday Colorado

Thanks to the foresight of our founders, the United States has and continues to evolve since the signing of the Declaration of Independence 250 years ago. The United States Constitution and individual rights continue to be important today. The Libertarian Party strongly supports equal rights for all individuals. If you are a believer of the Constitution and individual rights, please consider contributing to the Libertarian Party.

Join the 1776 club today by making a monthly donation of at least \$17.76. You will be mailed *LPColorado News*, the monthly newsletter and you will be supporting a political party with integrity and principle. To become a monthly donor visit <https://lpcolorado.org/donate/>.

Become a sustaining member of LPCO and help us transform the political landscape. There are two criteria for being a sustaining member:

- 1) Be a registered Libertarian, [verify your registration here](#). If needed, you can change party affiliation by clicking on the "EDIT" box at the bottom of the second screen, and
- 2) Be either a lifetime member of the National Libertarian Party or have donated a one-time minimum amount of \$25.00 to LPCO in the past year. The \$25 donation needs to be renewed annually to maintain your sustainable member status. Renew or become a sustaining member of LPCO at <https://lpcolorado.org/membership/>.

If you are uncertain about the status of your current sustaining membership, please contact me at Keith.Laube@lpcolorado.org.
