Caryn Ann,

Great news from the Libertarian National Committee.

We have pledged **\$2,000 in matching funds** for donations to support Jeremy Todd's campaign for Congress in Kentucky's 4th District. Every dollar you contribute through [this special link](#) will be matched dollar-for-dollar by the LNC until the full \$2,000 match is met.

[Double your impact in support of Libertarian Jeremy Todd today! >>>](#)

When you give \$50 through [the special link](#), the LNC adds another \$50. Your gift effectively becomes \$100. Give \$100, and it becomes \$200. Your impact is doubled at no extra cost to you. The match is limited to the first \$2,000 raised through [this dedicated link](#), so early action matters.

Jeremy Todd is the Libertarian nominee in KY-4. He is running a grassroots campaign to send a clear message to DC: **You can't buy Kentucky.** Voters now have a clear liberty alternative on the ballot.

This is a direct way you can help a strong Libertarian candidate compete. Your donation, matched by the LNC, **will be used to organize voters and supporters in the district for a candidate in a nationally visible race.**

Double your impact right now:

**Act now through the special link so your
contribution has maximum impact:**
