June 7th

Per the Bylaws* Article VI, Section 3(d), the duties of the Campaigns Director are as follows: The Campaigns Director shall identify political races and recruit candidates. The Campaigns Director shall also coordinate candidates and campaigns, and assist candidates in navigating compliance with campaign legal requirements and in obtaining campaign volunteers. The Campaigns Director may establish and manage committees (including the appointment of any committee chairs) to perform these and other campaign functions.

This report covers May 5th-June7th

I have been continuing to work with candidates to look for an set up events for them to attend. We had some candidates go down to Chaffee county for an event. We have also invited them to speak at the town hall event on the 11th. I have been working with our governor candidates on a platform and website. Jefferson county has invited candidates to come to our month meet-ups. We have discussed candidates to fund, and I will be showing a proposal at the board meeting to vote on. I am currently working on setting up all serious candidates with campaign managers and treasurers.

I am going to look at doing some polling once the election year is over once the new districts have votes. We also are going to try and use our elections to see what areas we have the best chance in the future. I would like to start working more heavily on Phillips, Weld and Mesa counties.

I have spoken to Jim in Pueblo county and they might hold a virtual convention in order to nominate a few candidates to run in that county. They checked with the SOS and it seems they can do this. If so than we will at least have a candidate for state senate 3.

I also attended the LP national convention in Reno, NV. It was a lot of fun and I make contacts that I will be using for help especially with our local campaigns.

I feel like I have been slipping a little bit. I will focus down more this month to push us forward.
