Database Manager Report for December, 2022

See following time report.

We pay $90 per month to the LNC for 3 hours of priority support per month for the CRM.
Our **November** Amazon bill for CRM email services was **$3.39** for just over **30,000** emails. This cost is recorded as an In-Kind donation by the Database Manager.
Our credit with MailChimp for email services has expired and we are no longer maintaining that account. Our free data storage with Amazon will terminate at the end of 2023.

Respectfully Submitted,
