

Libertarian Party membership: It won't cost you a penny!

Dear friend:

It won't cost you a penny.

It will take only a few seconds.

We're talking about Libertarian Party membership.

Your recent contribution to the party — which will get you a year's subscription to our monthly newspaper, *LP News* — was also enough to qualify you as a full member of the Libertarian Party.

Fortunately, it's easy to upgrade from subscriber to member. Just sign the "statement of principle" we ask from all our members, and mail it back to us in the enclosed envelope.

In return, we'll send you a copy of "Libertarian Solutions," a booklet that reprints a dozen of the best columns of the same name from *LP News*. In it, you'll find innovative Libertarian answers to problems ranging from the environment, to foreign policy, to the Second Amendment, to education.

We really do appreciate your support — and your recent contribution. But we'd be much happier if we could welcome you aboard as a new Libertarian Party member!

Sincerely,

Steve Dasbach
National Director
