### What is the Libertarian Frontier Project?

The mission of the LFP is to recruit, train, and support **quality Libertarian candidates** at the state legislative level. Through a data and field-focused effort, and *months* of pre-campaign work, the LFP is set to elect Libertarians to state legislatures across the West in 2020.

### Accomplishments of the LFP

In 2018, the LFP led the campaign for Bethany Baldes, helping her to come **within 53 votes** of unseating the Republican Majority Leader in the Wyoming State House. Gideon Oakes achieved the **highest Libertarian percentage** in a three-way legislative race since 1986. Since then, we have helped elect or place several city councilors and appointed Libertarians, as well as assisting state leadership teams in achieving their goals.

**With your help, we can continue to put Libertarians on the path to victory!**

**For the month of June, you can help the 5 best positioned candidates meet their fundraising goals and give them them the boost they need to be successful on election day.**
