Thomas Laehn, Libertarian candidate for U.S. Senate in Iowa, is launching a money bomb fundraiser to reach his initial campaign goals.

Libertarian candidates in Iowa have faced several ballot access challenges, including their petition deadline being moved up. **Still, the Laehn campaign turned in close to 10,000 signatures by the earlier deadline to qualify for the ballot.**

Now, Laehn is looking to raise \$100,000 to capitalize on the success and momentum of his petition drive.
