The poster features a stack of LP News newspapers. The top issue is dated June 2026 and has the headline "Evan McMahon Elected Chair at 2026 Libertarian National Convention". The masthead reads "LP NEWS THE PARTY OF PRINCIPLE". The background of the poster is a dark, textured surface with a large thermometer on the right side showing the fundraising progress.

**We've been piling up the good news,
but the most popular thing we've
done so far is this...**

We revived LP News!

Libertarians love their newsletter and have happily contributed to restore it.

The first issue is in the mail, and we're working on the next one. We also have \$675 in sponsors to pay for it! That's great news, but we also need to recognize something...

The money we spend on *LP News* can't be spent on outreach, membership recruitment, ballot access, and candidate support. So we want to find monthly sponsors to cover the entire \$6,000 cost of each issue.

We're almost one-eighth of the way there for July, but let's go higher. [If you start a monthly pledge of at least \\$25, we'll list you on our sponsor recognition page in each issue. >>>](#)

If you aren't ready to commit to a monthly sponsorship, your one-time donation will help make sure the July issue is fully funded. And remember, [LP News is for members only, so please join if you're not yet a member.](#)
