**YOU SAID YOU'D BUY MORE
IF PRICES WERE LOWER...**

Caryn Ann... We heard you.

Actually, we heard you **loud and clear**:

“The shirts are too expensive.”

“The hoodies cost too much.”

“I’d buy more Libertarian gear if the prices were lower.”

Fair enough. You were right. **So we lowered them.**

**T-shirts are now just \$20.
Hoodies are now just \$30.**

But there's a catch. **Now you have to prove yourselves.**

You told us you'd buy more if we brought the prices down. Well, it's time to put your money where your mouth is... *preferably* while wearing an aggressively pro-liberty T-shirt. The LP Store is stocked with the classics, special editions, and plenty of designs for every kind of Libertarian.

- Love the old-school porcupine shirts? We've got you.
- Prefer traditional Libertarian Party branding? It's there.
- Looking for something with a little more edge... the kind of shirt that starts conversations, ends conversations, or makes your statist neighbor quietly reconsider the social contract? We have those too.

This is your chance to grab more Libertarian gear, support the Party, and ***demonstrate that the free market does, in fact, respond to customer feedback.***

We lowered the prices. Now the rest is up to you. Go ahead. Prove us right.

In Liberty,
The Libertarian Party

P.S. Yes, we really lowered the prices. *No committee hearing, federal subsidy, or 2,000-page spending bill was required.*
