on *Gracearchy* with Jim Babka.**

Caryn Ann,

Two weeks before the last election, the Democratic Party in Indiana sent out mailers, texts, and calls urging people not to vote Libertarian...

**Because even they know we matter.****Watch the video below to learn more!**

Libertarian National Committee Chair Evan McMahon joins Jim Babka on *Gracearchy* to discuss:

- Why the Libertarian Party is the only third party to maintain ballot access for 50 years.
- How Libertarians force real policy change.
- The major parties' growing fear of our rising influence.
- Evan's bold Parity Project goal: raising our membership to **66,000 by 2028** and building sustainable revenue to support candidates.

Evan also delivers a heartfelt message to those who've stepped back: **It's time to come home.** The Libertarian Party is boldly libertarian again, focused on growth, unity, and advancing liberty with grace.
