

JACOBS V. LIBERTARIAN NATIONAL COMMITTEE
In re: Resolutions Adopted at June 9, 2025 Special Meeting

Reply to Jacobs' Response to Harlos' Objection

Date: August 13, 2025

My objection speaks to itself but I have to correct Mr. Jacob's mischaracterization of my objection. I did not object that he never told anyone, such as the Party Chair. I objected he did not tell the membership in his appeal. It was quite simple.

Thank you for your attention.
