Policy Manual Overview & Introduction

An organization is subject to public law and such other rules it adopts to govern its operation. The rules governing the Libertarian National Committee, Inc. are as follows and supersede each other in the order listed:

1. Corporate Charter: The legal instrument conforming to state and federal laws. The Libertarian National Committee, Inc. is incorporated in the District of Columbia and is subject to its laws.
2. Bylaws: Prescribe how the organization shall function. They may not be suspended, except for clauses that provide for their own suspension or clauses clearly in the nature of rules of order.
3. Special Rules of Order: Relate to rules for orderly transaction of business that differ from those contained in the adopted parliamentary authority.
4. Rules of Order: Relate to orderly transaction of business. These are usually contained in the adopted parliamentary authority, which in our case is the current edition (12th) of *Robert's Rules of Order Newly Revised* (RONR).
5. Standing Rules: Relate to details of administration. They are adopted as the need arises.

This policy manual is a compilation of the rules governing the Libertarian National Committee, Inc. not already reflected in its Corporate Charter, Bylaws, or Rules of Order.

The following terms may be used throughout this document:

“ExD” is Executive Director.

“LNC” is Libertarian National Committee.

“LNC Members” are Officers, At-Large members, and Regional Representatives.

“LP” is Libertarian Party.

“LPHQ” is Libertarian Party Headquarters.

“RONR” is Roberts Rules of Order, Newly Revised.

Article I. Special Rules of Order & Standing Rules

Special Rules of Order are rules for orderly transaction of business (i.e., relating to parliamentary procedure) that differ from those contained in the adopted parliamentary authority. They are superseded only by the Bylaws, the Corporate Charter, and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A Special Rule of Order may be adopted, amended, rescinded, or suspended. Adoption, amendment, or rescission requires (a) a two-thirds (2/3) vote with previous notice, or (b) a vote of a majority of the entire membership of the LNC. Suspension requires a two-thirds (2/3) vote of the LNC. Rules that have their application outside of the session that is in progress cannot be suspended but can be rescinded or amended (RONR (12th ed.) 10:45, 25:2, 25:13).

Standing Rules relate to details of administration. They are superseded only by the parliamentary authority, Special Rules of Order, Bylaws, the Corporate Charter and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A Standing Rule may be adopted, amended, rescinded, or suspended. Adoption requires a majority vote. Amendment or rescission requires (a) a majority vote with previous notice, (b) without notice a two-thirds (2/3) vote, or (c) a majority of the entire membership of the LNC. Suspension requires a majority vote of the LNC, but rules that have their application outside of the session that is in progress cannot be suspended (RONR (12th ed.) 25:12-13).

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

Section 1.01 — General Delegation of Authority

1) Participation by LNC Alternates at Meetings

Free substitution of Alternates for Regional Representatives at LNC meetings is permitted.

2) Representation of Region-Less States

For any affiliate not in a region, the Vice-Chair will serve the same intermediary role that Regional Representatives serve for the affiliates in their respective regions.

3) Executive Committee

The Executive Committee shall exercise all powers of the LNC between LNC meetings, when urgency demands a more immediate time frame than when the LNC can next meet, except for amendment of the LNC policy manual or amendment of the budget beyond the limits specified elsewhere in this policy manual. It shall further make decisions specifically delegated in this Policy Manual. Notwithstanding, the LNC reserves the right to exercise its authority through electronic mail ballots and to rescind decisions of the Executive Committee.

4) Removal from Office

A Party Officer or At-Large Member may be disciplined as per the Bylaws Article 6.7 and 7.5, for cause, by the trial procedure outlined in the parliamentary authority. This requirement shall be modified by the following rules.

1. At least fourteen (14) days' notice shall be given to the accused.
2. The accused's rights of membership, except as they relate to the trial, may be suspended by a two-thirds (2/3) vote upon the adoption of the charges and pending the disposition of the charges.
3. The accused may appear personally or by counsel. Defense counsel shall be a sustaining member of the national Libertarian Party, as per Bylaws Article 4.4.
4. Testimony and deliberations, as being "pending or potential litigation," as per Bylaws Article 7.15, may be held in Executive Session. The LNC may, however, order a transcript or recording be made of the session even if in Executive Session.
5. The LNC may act on the report of an investigatory committee at any point prior to the final adjournment of the next Libertarian National Convention.
6. Prior to the commencement of the trial, the LNC, by majority vote, adopt a resolution to govern the trial specifying details not inconsistent with the procedures described in the Bylaws, rules in the Policy Manual, or the parliamentary authority.

Section 1.02 — Meetings

1) Previous Notice

An LNC Member may satisfy the requirement of giving previous notice of their intention to introduce an original main motion at the next session by:

2. sending the complete language of the motion to the entire LNC by e-mail at least five (5) days prior to the session.

3) Open Meetings

LNC meetings are open to Party members, except while in Executive Session. Non-Party members may be excluded from any part of the meeting at any time at the discretion of the Chair, subject to appeal. Any Party member being disruptive during any portion of the meeting may be immediately excluded upon a majority vote of the LNC. Any LNC member being disruptive during any portion of the meeting may be immediately excluded, according to the provisions of the parliamentary authority, with the exception that such would require a 2/3 vote of the LNC.

4) Executive Sessions

The LNC or any committee may enter into Executive Session only in compliance with this special rule of order. The motion to enter Executive Session must list all reasons for doing so from among the following:

1. Personnel matters
2. Contractual negotiations
3. Pending or potential litigation
4. Political strategy requiring confidentiality

No action can be taken while in Executive Session. Discussion of action that may be taken in Open Session can occur. No recording shall be made or minutes.

Any member who is unwilling to commit to maintaining confidentiality regarding any particular Executive Session is obligated to excuse themselves from the entire Executive Session and to request that the Secretary note their absence from the Executive Session in the minutes of the meeting. A participant in an Executive Session may publicly disclose information discussed in Executive Session, if the same information is publicly available from other sources, not as the result of a participant's misconduct, and the participant does not reveal that it was discussed in Executive Session; or the LNC, and all the participants in the Executive Session, first consent to its release.

5) Meeting Minutes

In addition to the requirements articulated by RONR, the meeting minutes shall include the following:

1. Copies of reports submitted for review as appendices.
2. The following aspects of each mail ballot conducted since the prior meeting and reported by the Secretary at that meeting:
 - a. the complete text of the motion,
 - b. the names of the co-sponsors,
 - c. the dates of the initiation and completion of the balloting, and
 - d. the roll of those voting on the motion.

This requirement may be satisfied by including this information in the Secretary's Report appended to the minutes.

3. Complete text of all motions made with notations of any vote counts for rising votes or votes by show of hands announced by the Chair.

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

LNC or Executive Committee Meeting minutes may be promoted from draft status to official during the time between meetings as follows:

- Draft minutes shall be mailed or emailed to all LNC Members not more than twenty (20) days after each meeting.
- Corrections, clarifications, and changes to the draft minutes may be submitted for the Secretary's consideration for a period of fifteen (15) days following the distribution of the draft minutes. The Secretary shall distribute an updated version of the draft minutes not later than seven (7) days following the end of that submission period. If no changes are distributed during that period, the minutes shall be promoted from draft to final.
- The updated version shall be deemed official if no LNC Member challenges the content to the Secretary within seven (7) days of the distribution of the updated version. Only Executive Committee members can present challenges to Executive Committee minutes. Any additional changes will be made by the Secretary within two (2) days and distributed for an additional seven (7) day review period. This process shall repeat until there are no challenges or the next regular LNC meeting, whichever comes first.
- These auto-approval provisions are void if the Secretary fails to distribute the draft minutes of a meeting within twenty (20) days after that meeting or fails to distribute updated versions as described above.
- The Secretary shall send an official copy of meeting minutes to staff within seven (7) days of the promotion of those minutes from draft to official status for posting on the Party website and shall provide a final copy to all LNC members.

If the minutes are not submitted through the auto-approval process previously described, draft minutes must be presented for approval at the next regular meeting after the auto-approval time period expires.

6) Electronic Mail Ballots

1. Notification of an electronic mail ballot shall be made by the Secretary or Chair by electronic mail within two (2) days of the question being submitted by the Chair or cosponsored by a sufficient number of LNC members. This notification shall not include an accompanying argument for or against passage of the Electronic Mail Ballots shall be limited to voting only. This rule can be suspended at the request of a committee member, absent the objection of more than 1/3 of the committee being sent in reply to the request. Objections must be sent within forty-eight (48) hours of the request for debate within the electronic mail ballot. If the forty-eight (48) hours elapse without sufficient objections, then debate shall be allowed for that ballot. An LNC Member may change their vote on an electronic mail ballot, provided that the change is received by the Secretary by the deadline for return of ballots or the entire LNC has either voted or expressly abstained, whichever comes first. In the event that a Regional Representative expressly abstains, that Regional Alternate's vote shall not be counted.
2. Any member of the Executive Committee may object to the consideration of any main motion or incidental main motion. This may be at any time from until twenty-four (24) hours after the motion ballot has been started. Any member also objecting shall have

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

twenty-four (24) hours from the first objection to also post, “I object to the consideration of this motion.” A majority of the entire membership of the Executive Committee shall adopt such a motion.

3. Any member of the LNC may object to consideration of any original main motion or incidental main motion. This may be done at any time from when the co-sponsors are requested, and until twenty-four (24) hours after the motion ballot has been started. The member objecting shall post “I object to the consideration of this motion,” on the thread containing the motion. Any member also objecting shall have twenty-four (24) hours from the first objection to also post, “I object to the consideration of the motion.” A majority of the entire membership of the LNC shall adopt such a motion.
4. Before transacting business by electronic mail ballot to fill a committee or LNC vacancy, the LNC shall allow voting members to submit nominations for a period of 48 hours.

7) Electronic Meetings

1. The term “electronic meeting” within these electronic meeting rules shall be construed to include teleconferences and videoconferences.
2. The term “committee” within these electronic meeting rules shall be construed to include both the LNC (as the board of the Libertarian Party) as well as committees.
3. Electronic meetings may be called by either:
 - a. The committee Chair, or
 - b. One-third (1/3) of the committee members or two (2) committee members, whichever is greater.
4. However, the call of an electronic meeting can be canceled if a majority of the committee members email a cancellation request to the entire committee prior to the scheduled time of the meeting.
5. Each committee member calling for an electronic meeting must do so by emailing the entire committee and specifying the date of the meeting, time of the meeting, and the topic(s) to be addressed. Meetings must be so called no fewer than two (2) days in advance for committees with fewer than ten (10) members, or five (5) days in advance for committees with ten (10) or more members. These time limits do not apply to the LNC's Executive Committee, the LNC's Advertising and Publications Review Committee, or the Judicial Committee. The LNC's Executive Committee may meet with one (1) day notice.
6. When a sufficient number of people have issued a call for an electronic meeting, the committee Chair or Secretary shall issue a notice of the meeting to each member and alternate of the committee. In addition to the standard notice content, the meeting notice shall describe how to participate in the meeting.
7. All participants legally consent to having the meetings recorded, should the committee opt to do so.
8. Electronic meetings are special meetings such that only the topics listed in the call of the meeting may be considered during the meeting; however, a regular meeting may be adjourned to an electronic meeting which shall be a continuation of that regular meeting.
9. A person eligible to vote who was present during the debate of an original main motion but who lost their connection to the meeting may still reconnect to the meeting

SPECIAL RULES OF ORDER AND STANDING RULES

and cast their vote on the motion no more than five (5) minutes after the announcement of the vote tally.

8) Emergency Meetings During a National Convention

If an emergency matter arises during a national convention, the LNC may meet immediately upon either the call of the Party Chair or any two (2) officers. The meeting may be held in a hybrid electronic/in-person format only if that is necessary to achieve quorum, otherwise it will be held solely in-person. An announcement of such a meeting shall be made on the LNC Business List and to the convention. At least fifteen minutes must elapse between the notification and the meeting. These meetings shall be considered special meetings.

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

Section 1.04 — Committee Scope & Responsibilities

1) Committee Reports

At each regular LNC meeting, each committee created by the LNC will at minimum provide a written report at least five (5) days prior to the session noting the dates and attendance rosters for each of their meetings since the previous regular LNC meeting and progress in meeting the committee's objectives.

2) Advertising & Publication Review Committee (APRC)

The APRC shall review and advise whether official public communications of the Party violate our Bylaws, Policy Manual, advocate moving public policy in a different direction other than a libertarian direction, as delineated by the Party platform, or are detrimental to the image of the Party. Staff may seek advance advice from the APRC on any proposed communication, and the APRC may provide advance guidance on their own initiative. The APRC is not required to provide advance review of any social media content or items that are of an urgent or non-substantive nature as determined by the Executive Director or the LNC Chair.

All other official public communications must be sent to the APRC in advance and given three (3) hours to review. This time frame may be shortened if the entire APRC approves the communication earlier. If a majority of the entire APRC disapproves a communication with specified reasons within its scope, the communication will not be sent. The LNC Chair may override this disapproval.

All public communications may be subject to later review or reconsideration upon receipt of a credible written complaint from any Party member that is emailed to staff or an LNC member. All complaints should be promptly forwarded to the LNC Chair and the APRC Chair. Upon receipt of such complaint, the APRC shall have twenty-four (24) hours to make a recommendation whether or not to remove the communication from the public sphere to the extent possible or make other recommendations by a majority vote of the entire APRC. The LNC Chair may override such recommendations.

Communications between the APRC, staff, and the LNC Chair are in the nature of confidential employer-employee communications. Official decisions of the APRC that are overridden shall be promptly reported to the LNC by the APRC Chair without revealing confidential employer-employee matters. However, the APRC may by majority vote agree to consult with other relevant individuals about matters which come before it, conditioned upon the prior agreement by such individuals to maintain confidentiality of the discussions.

3) Affiliate Support Committee (ASC)

The ASC shall identify the needs and interests of the various affiliates. In addition, the ASC shall identify those affiliates that are in particular need of assistance that the LNC can provide.

The ASC shall deliver a report to the LNC for the last LNC meeting of each calendar year, identifying and prioritizing those needs and interests of the various affiliates. This ranked list shall be taken into consideration when drawing up the following year's budget, and

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

throughout the year as needed. This list will also assist the Executive Director in deciding how to assign tasks to staff, by identifying those services that staff provides to the affiliates that are the most desired.

The ASC shall also, when needed, recommend to the LNC measures that will address the particular affiliates that need assistance from the LNC. The ASC will also establish a process for tracking the progress in meeting those needs.

4) Audit Committee

The Audit Committee's tasks are to select an independent audit company and to direct the scale and scope of standard annual audits of the Party's accounting records and processes. Following receipt of the audit company's report, the Committee shall help the LNC interpret the audit results and assist the latter in preparing any action plans that might be needed to alleviate deficiencies.

5) Awards Committee

For the convention awards described below, the Awards Committee shall set the budget, manage the nomination process, select the award winners by committee vote, secure the awards, and present the awards at the convention.

The award descriptions are:

Thomas Jefferson Leadership Award with recognition of outstanding leadership, high character, and dedication to the principles and goals of the Party.

Patrick Henry Candidate Award with recognition of a very effective campaign for public office at the state or federal level, while communicating Libertarian ideas, principles, and values.

Benjamin Franklin Candidate Award with recognition of a very effective campaign for public office at the local level, while communicating Libertarian ideas, principles, and values.

Thomas Paine Communication Award with recognition of outstanding communication of Libertarian ideas, principles, and values through written, published, or spoken communication.

Samuel Adams Activism Award with recognition of effective activism by building Party membership, organizing community outreach, or communicating Libertarian principles.

The Hall of Liberty induction is to honor lifetime or significant achievement that has made a lasting impact on the Libertarian Party and/or libertarian movement.

With a majority vote the committee may select recipients of the Thomas Jefferson, Samuel Adams, Benjamin Franklin, Thomas Paine, and Patrick Henry awards. While the committee has discretion as to the frequency of such convention awards, it is hoped that at least one (1) recipient will be found worthy for each award at each regular convention.

With a unanimous vote the committee may select recipients of the Hall of Liberty award, with up to three (3) inductees per convention. While the committee has discretion as to the

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

frequency of this convention award, it is hoped that at least one recipient will be found worthy for each presidential nominating convention.

6) Ballot Access Committee (BAC)

The BAC shall:

1. Provide oversight and assistance to the Ballot Access Coordinator, who is appointed by the LNC Chair with the advice and consent of the LNC.
2. Approve recommendations to the LNC concerning the implementation of specific strategies, funding allocations, and projects consistent with current budget allocations for ballot access.
3. Propose strategies and/or projects representing the best use of budgeted funds allocated among the various acceptable ballot access techniques such as, but not limited to, petitioning, lobbying, litigation, public awareness, and collaboration with other organizations that are pursuing the goal of liberalizing ballot access laws.

 - b. Expenses actually incurred
 - c. Actual ballot access results
 - d. If appropriate, ballot access retention results
 - e. Significant problems encountered in the effort
 - f. Significant unexpected successes of the effort
 - g. FEC regulation issues encountered
 - h. Evaluation of the individual(s) and/or organization(s) that were directly contracted/interacted with
 - i. Identifies state targets for litigation and lobbying efforts.
6. Develop procedures and policies as reasonably appropriate to spread institutional knowledge of ballot access issues within the committee, LNC staff, officers of LNC affiliates, and future holders of these positions.

The Ballot Access Coordinator shall:

1. Serve as the primary coordinator and facilitator between the LNC, LNC staff, campaigns, and state affiliates for the purposes of attaining ballot access through petitioning efforts.

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

2. Act in an advisory oversight role of all state affiliate petitioning efforts that utilize LNC funds.
3. Coordinate and direct members of the Ballot Access Committee and any deputy coordinator(s) in assisting state affiliate petitioning, legislative, and lobbying efforts.

Note: See Appendix for BAC Policies and Procedures.

7) Candidate Support Committee (CSC)

The CSC will develop and make available to Libertarian Party candidates for public office an application for LNC financial support based on current standards approved by the LNC. The Committee will also review applications and make recommendations to the LNC on their merits.

The Committee will review the standards within the first six (6) months of a new LNC term and report any needed changes to the LNC for approval no later than the third (3rd) LNC meeting of the term.

The Candidate Support Committee will develop, with support of LNC staff and the IS Committee, training for candidates and their staff to be presented both online and in LP training workshops. If time and resources permit, the Committee will also aid LNC staff and the Affiliate Support Committee in the development of various campaign templates for websites, printed materials, etc. that will be made available to LP candidates at little or no cost.

8) Convention Oversight Committee (COC)

The COC shall make recommendations for convention sites and dates to the LNC, but the LNC shall choose both. On other matters concerning the Party's conventions, the COC shall:

1. convey requirements to convention planners;
2. ensure the convention meets the Party's needs;
3. recommend for approval by the Executive Committee or the LNC major elements such as contracts over \$3,000; the convention budget; and the convention program including speaker(s); and
4. ensure all contracts with vendors over \$3,000 go through a transparent bidding process regardless of dollar amount.

The COC shall report monthly its decisions and actions to the LNC. The COC may begin its work as soon as its members from the LNC are appointed.

During the ninety (90) days following a convention, the COC shall make a final report to the LNC of actual versus expected convention performance, and the COC shall update the online convention archive with information comparable to what the archive contains for past conventions. The Chair and Secretary shall be ex-officio non-voting members of the COC.

9) Financial Standards Committee (FSC)

The FSC shall be informed of and review prior to execution all new expenditures under consideration totaling over \$600 per year to determine their necessity, practicality, and feasibility in accordance with the LNC's current financial status (excluding the Chair's discretionary fund). This shall include, but not be limited to transactions, agreements or

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

contracts being considered by the Chair, the ExD, the LNC, the Executive Committee, and any subcommittees, excluding those which fall under the purview of the EPCC or Section 1.06—Legal Matters, 2) Authorization & Management of Lawsuits.

The FSC shall do a thorough review of all bank statements, financial records, processes, and expenditures of the Party on at least a monthly basis but no later than on a quarterly basis. Focus shall be specific to cash disbursements, examining payees, and the evaluation of amounts to ensure consistency with authorized expenditures and adherence to the LNC’s financial policies. This review shall be documented by the FSC.

The FSC shall be available to the Chair and to staff to discuss any of the aforementioned under consideration before such proposals are brought forward before the ExD, Executive Committee or LNC.

10) Employment Policy and Compensation Committee (EPCC)

The EPCC shall develop documents, procedures, and guidelines for the effective administration, supervision, and development of staff, including but not limited to job descriptions, compensation ranges, hiring, training, performance reviews, promotion, progressive discipline, and termination. The LNC may supersede any such documents, procedures, and guidelines by adopting a replacement.

The EPCC should only be comprised of qualified members of the LNC. The word “qualified” for these purposes shall be defined as: experienced and well versed in the above and/or business management and development, employee and vendor contracts, key performance indicators, performance improvement plans, personnel assessment, and/or finance.

The EPCC shall review, approve, and document all employment contracts, agreements, transactions, remunerations, or modifications for staff as well as contractors that provide services outside of vendors prior to the Chair signing or approving any of the aforementioned.

The EPCC shall also be available to staff to discuss on a confidential basis the working environment or observed violations of the policy manual.

Following Counsel’s review of a director-level employment contract or a contract with a contractor for a director-level position, the Chair or the Executive Director shall submit to the EPCC the proposed contract and any related advice from Counsel. No such contract may be signed by the Chair without having first obtained either EPCC approval with notification to the board at least five (5) days prior, or an affirmative vote from a majority of the fixed membership of the LNC.

11) Historical Preservation Committee (HPC)

The HPC shall be responsible for directing the preservation and publication of Party historical documents and the administration of LPedia.org. A report of its decisions and activities shall be delivered at each LNC meeting. In order to maintain continuity and progress on long-term and technical projects, the HPC members remain in position from term to term until resignation or replacement by action of the LNC at any time. The HPC is expected to fundraise to offset any budget for preservation projects. In the event of vacancy of the Chair of the HPC, the LNC will make every effort to appoint a member in the vicinity of the physical

archives. The HPC must make every effort to ensure there is at least one member (if it is not the HPC Chair) in vicinity of the physical archives and one member with sufficient technological expertise to provide system administrative support to LPedia.

12) Information Services Committee (ISC)

The ISC shall:

1. Work with staff and state chairs to identify the Information Technology (IT) needs of the LP;
2. Discuss with staff and state chairs the anticipated IT needs and how to meet those needs;

4. Recommend, an implementation of the IT tools that will best satisfy those needs within the budgetary constraints of the Party;
5. Assist staff by monitoring progress in the transition and implementation of any IT solutions pertaining to LPHQ and state affiliates;
6. Assist staff by performing audits of IT assets as needed; and
7. Propose standards for transfer of data between LPHQ and the affiliates.

Nothing in this policy should be construed as requiring staff to consult with this committee for routine changes or any changes that are not expected to have an effect on the way LPHQ deals with any affiliate. Any change to the IT systems at LPHQ that will affect the way finances are handled or the way FEC reports are generated must be approved by the Treasurer.

Section 1.05 — Other Special Approval Procedures

1) Budget

The budget may be amended at any time by a majority vote of the LNC. A motion to increase spending, that neither specifies the use of unobligated or pledged revenue nor specifies an equivalent spending reduction or revenue increase, is out of order unless overruled by a two-thirds (2/3) vote of the entire LNC. However, the Executive Committee is authorized to amend expense items within one budget area, as long as the total expense for that budget area is not increased and to add lines for previously unbudgeted expenses, the total of which shall not exceed one-percent (1%) of budgeted revenues.

The Chair, without the consent of the Executive Committee, is authorized to expend up to \$1,000 in discretionary funds within any (rolling) three (3) month period, the total of which shall not exceed \$5,000 per term. Discretionary spending over the limit cannot be later ratified by the LNC.

2) Affiliate Petitions

Organizations that wish to become state-level affiliate parties shall apply for such status on the petition form in the Appendix. The LNC shall only consider a petition for affiliation if:

1. The petitioners held a public physical or virtual meeting that was open to all current national Party members at the time notice of an organizing convention was issued residing in the state in which all of those members had an equal voice in adopting bylaws and electing leadership.
2. Reasonable notice shall be sent to all current national Party members at the time notice of an organizing convention was issued residing in the state and to the LNC Chair and Secretary. The Secretary or Chair shall forward the request to all LNC members. The LNC or the Executive Committee may, but is not required to, publish the notice via its resources to the potential attendees.

Section 1.06 — Legal Matters

1) Counsel

The LNC shall appoint an attorney to serve as the Party's Counsel.

2) Authorization & Management of Lawsuits

Prior to the filing of a lawsuit, or the joining of a lawsuit filed in any court, in which the LNC or the national Libertarian Party is proposed to be a named plaintiff, to the preparation and filing of a friend of the court brief, or to providing material (costing in excess of \$1,000) financial support for the litigation, the Chair shall:

1. Advise all LNC members (including alternates) of the proposed lawsuit, its purpose, and its estimated cost;
2. Confirm, or seek and obtain approval for, the budgetary authority for the expenses of the lawsuit as provided elsewhere in this policy manual; and
3. Seek and obtain approval with a two-thirds (2/3) vote of the Executive Committee for participation in the lawsuit.

Once a lawsuit is filed or joined, including lawsuits filed against the Party or the LNC, the Executive Committee shall manage the details of the lawsuit subject to the budgetary instructions above. The Executive Committee may delegate this task to an empowered Litigation Committee. The LNC shall be kept advised of the progress and goals of the suit. Any settlement or dismissal of the entire lawsuit recommended by the Executive Committee must be approved by the LNC.

3) Indemnification

The LNC shall retain sufficient Director's and Officer's liability coverage for board members and employees.

Any officer, employee, or agent of the Libertarian Party who, acting on behalf of or as an authorized representative of the Libertarian Party, was or is a party to or has notice of becoming a party to any contemplated, pending, or seemingly completed legal proceedings, may be defended and shall be indemnified for all expenses and liabilities actually and reasonably incurred by such individual in connection therewith to the extent permitted by applicable law of the jurisdiction in which the Libertarian National Committee is incorporated.

Section 1.07 — Obligations Among Board Members & Staff

1) Confidentiality

The officers, employees, agents, and members of the LNC shall not be personally liable for any debt, liability, or obligation of the Party, unless caused by their breach of confidentiality. All LNC members shall sign an NDA.

2) Conflict of Interest

Each LNC Member shall disclose to the LNC situations in which such person's own economic or other interests, or duties to others, might conflict with the interests of the Party in the discharge of their duties. Any such disclosure shall be made at the earliest opportune moment, prior to the discharge of such duties and clearly set forth the details of the conflict of interest, in a written disclosure statement provided to the Secretary. No LNC member shall: (a) transact business with the Party unless the transaction is fair and equitable to the Party; or (b) use information gained in the discharge of Party duties to the disadvantage of the Party.

The Secretary shall maintain a register of all declared potential conflicts of interest by LNC members. This register will be presented and distributed to all LNC members at each regular LNC meeting and attached to the minutes or a link to a shared drive where they can be accessed.

Any current or former LNC member, as well as any conflicted party found to be acting in concert with said member to prevent appropriate disclosures pursuant to the subsection above, shall be denied any trade relationship with the LP. This shall be separate from any additional action under consideration or taken by the LNC due to discovered malfeasance for personal financial enrichment.

3) Separation Between Board Members & Staff

No Officer shall serve as Executive Director while also serving on the LNC. In the event that position, or any other Staff position must be filled on an interim basis, a majority of the Board may appoint another member of the LNC to serve without pay.

4) LNC Behavioral Standards

A. Behavioral Expectations and Professional Best Practices:

LNC members should:

- I. Use self-control to handle the frustrations that are inevitable on a board with members who have unique beliefs and ideas. To this end, members should avoid using language likely to be emotive and make a real effort to value differences and to listen and appreciate other views.
- II. Genuinely listen to colleagues and put real effort into challenging sensitively and constructively and avoiding conflict. While passionate debate in the boardroom is inevitable and healthy, LNC members should present a united front when they leave the boardroom and be loyal to board decisions made in good faith to the corporation. This does not discourage explaining their

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

- disagreement to constituents nor attempting to change such decisions through proper means such as lobbying for policy or bylaws changes and Judicial Committee appeals.
- III. Should recognize their responsibility to lead by example and contribute positively to setting the culture, vision and values for the LNC both publicly and privately.
 - IV. Be fully committed to contributing to the continual improvement of governance processes, and to working to develop an atmosphere that enables the LNC to openly share ideas and think together, with mutual respect. However, LNC members should also be mindful of their colleagues' time and work towards collaboration and mutual understanding.
 - V. Communicate in a positive and professional manner regarding LNC matters, focus on solutions rather than problems, and always attempt to portray the LNC in the best light. Specifically, if there are multiple ways to view a situation, it should be portrayed with the benefit of the doubt given to good faith. LNC members should strive to use social media to build relationships and share insights and avoid contradicting the Party Platform and Bylaws, and if done so, should be clear to present their views as their own and not those of the Party.
 - VI. Use a secure password for any official accounts, update it regularly, and never share their login information with anyone.
 - VII. Always assume that any personal social media activity can be linked by someone to their professional profile and therefore the LNC.
 - VIII. Keep any public disagreements with Party members as productive as possible and to de-escalate and disengage if the situation becomes too heated. IX. Actively fundraise and/or donate to the LNC.

These behavioral expectations and best practices are aspirational and not subject to discipline.

B. Mandatory Code of Conduct:

LNC members shall not:

- I. Disparage the LNC or the Party nor endorse other political parties or their candidates. Further, LNC members shall not tell anyone that they should not donate to the Libertarian Party.
- II. Engage in ad hominem or otherwise indecorous attacks against fellow board members in any official communication (be it internal or public) or in personal public communication.
- III. Share colleagues' personal information, including communications, photos, etc., without their permission except as necessary to comply with any reporting requirements of these standards, defend themselves against accusations of violations of these standards, or under the whistleblower provision.
- IV. Use their corporate email address to create personal social media accounts or use their corporate emails for personal uses.
- V. Share proprietary information, including anything that was not explicitly made public by the board, unless the secrecy is determined to be a violation of the Bylaws by the National Judicial Committee. Executive session confidentiality

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

shall not be breached. This includes meetings with legal counsel or other proprietary matters.

- VI. Engage in any collective deprecation, whether alluding to sex, race, color, national origin, disability, age, religion, or any other protected category.
- VII. Engage in harassment, such as, but not limited to, unwanted physical contact or prying into a person's private life, derogatory slurs, off-color jokes and innuendos, unwelcome comments about a person's body or appearance, leering, suggestive/derogatory behavior or objects, and the like. LNC members must exercise their own good judgment to avoid any conduct that may be perceived by others as harassment.
- VIII. Engage in sexual harassment which includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, any other conduct of a sexual nature, and unwelcome comments upon the intimate sexual life of any other person.

C. Fiduciary Duty:

LNC members shall not violate their fiduciary duties to the LNC.

Overview of Fiduciary Duty:

- I. **Duty of Obedience:** LNC members must make sure that the LNC is abiding by all applicable laws and regulations and doesn't engage in illegal or unauthorized activities. Further, LNC members have a duty to act in a manner that carries out the LNC's mission and purpose.
- II. **Duty of Care:** LNC members have a duty to ensure the prudent use of all corporate assets and exercise the same care as a reasonably prudent person in the management of the corporation's affairs. In exercising this duty, LNC members shall make decisions based on sound business principles and that preserve the assets and property or increase the value of the LNC and its assets. However, decisions that result in a loss of value or profit may not be a violation of the duty of care, depending on the circumstances.
- III. **Duty of Loyalty:** LNC members shall make decisions in the best interest of the corporation in the advancement of its mission, and not in the best interest of individual board members. LNC members shall take the utmost care to avoid any conflicts of interest that could jeopardize their ability to act in the best interest of the LNC. An LNC member must take steps to avoid personal economic conflicts when managing the assets of the LNC. LNC members should not personally benefit from the decisions they make regarding the assets and property held by the LNC and shall avoid putting themselves in a position where their individual interests clash with the interests of the LNC. LNC members must manage the LNC solely in its best interest, not use it as a vehicle for promoting their personal beliefs or causes.
- IV. **Duty of Good Faith:** When discharging their duties, LNC members shall act in good faith and in a manner the member reasonably believes to be in the best interests of the LNC. This means acting with honesty, fairness, and a conscious regard for their responsibilities when making decisions on behalf of the LNC.

D. Whistleblower Policy:

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

None of the behavioral standards are intended to silence good faith whistle-blower activity, which includes reporting violations of this policy and/or applicable laws. However, any LNC member who believes that violations have occurred that would fall under this category must first communicate these concerns to the Party officers (excluding any that might be part of the concern) with a copy to LNC counsel and wait at least seven days before taking any action outside of any legal rights or obligations which the concerned LNC member may have.

E. Good Fait Provision:

Anyone filing a written complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

F. Reporting and Adjudication Procedure:

Violations of the Code of Conduct shall be reported to the Party Officers (excluding any officer that might be part of the Complaint) or any committee of LNC members that the LNC has designated specifically for this purpose. All such reports must contain the name of the LNC member in violation, the section violated, and sufficient evidence to substantiate that a violation occurred. All complaints will be treated in confidence with every possible effort to protect the confidentiality of the complainant. The complainant should be given a prompt acknowledgement of receipt and be protected from retaliation for making a good faith complaint.

Violations of the Code of Conduct shall be evaluated on a case-by-case basis depending on the severity of the offense, whether and to the degree which it is a repeat offense, and the damage that the offense caused to the LNC. Except for egregious violations of fiduciary duty, members committing a first violation should be given the most lenient disciplinary action available, with subsequent violations gradually escalating the severity of the disciplinary action taken recognizing that discipline is not intended for political maneuvering, genuine mistakes, or good faith differences of opinion.

G. Disciplinary Actions:

Private warning from the LNC Chair or designee

When a private warning is determined to be the appropriate level of disciplinary action, the LNC Chair or designee shall have a private conference with the member in violation. This conference may be virtual or in person. The LNC Chair or designee shall present the member in violation with the section violated and the evidence submitted to substantiate the violation.

Non-private warning from the LNC Chair or designee

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

When a non-private warning is determined to be the appropriate level of disciplinary action, the LNC Chair or designee shall have a conference with the member in violation at an LNC meeting. The LNC Chair or designee shall present the member in violation with the section violated and the evidence submitted to substantiate the violation at which point the LNC shall determine by a majority vote if there was in fact a violation that warranted public discussion. If the LNC finds that there was such a violation, the LNC Chair or designee shall facilitate discussion amongst the members present for the purpose of de-escalation and prevention of further violations.

Censure by motion

When a censure by motion is determined to be the appropriate level of disciplinary action, the LNC Chair or person chairing the meeting, shall assume the motion to censure, the member in violation at an LNC meeting. The LNC Chair or designee shall present the member in violation with the section violated and the evidence submitted to substantiate the violation. If the violation is a repeat offense, the LNC Chair or designee shall also provide the necessary documentation of the prior offenses and the disciplinary action taken in response. The member in violation shall be given an opportunity to defend themselves during debate and prior to taking the vote on the motion to censure which shall pass by a majority vote.

Disciplinary censure

Upon conviction under the trial procedure outlined in the parliamentary authority which may be modified by this Policy Manual, when censure is determined to be the appropriate penalty the LNC may vote to censure the member in violation which shall pass by majority vote. Disciplinary censure of a National Committee Regional Representative or Alternate may also include a request to the Region that the subject of the censure be removed. A request that the member be removed shall require a two-thirds vote.

Suspension

Upon conviction under the trial procedure outlined in the parliamentary authority which may be modified by this Policy Manual, when suspension is determined to be the appropriate penalty the LNC may vote to suspend the member in violation. A suspension must specify the rights and privileges to be suspended and the duration of the suspension. A suspension under this provision is different from a suspension pending trial. A vote of 2/3 of the entire National Committee, excepting the member that is the subject of the vote who may not participate in that vote, is required for suspension. The LNC may decrease the scope or duration of the suspension by a two-thirds vote, with notice, or by a vote of the entire membership of the National Committee.

Suspension and Removal from office

LNC Policy Manual
SPECIAL RULES OF ORDER AND STANDING RULES

Upon conviction under the trial procedure outlined in the parliamentary authority and modified by PM 1.01.4, when removal from office is determined to be the appropriate penalty the LNC may vote to remove from office the Party Officer or At-Large Member in violation. A vote of 2/3 of the entire National Committee, excepting the member that is the subject of the vote who may not participate in that vote, is required for suspension and removal from office.

5) Harassment and Offensive Behavior Prohibition

The following standards of behavior are expected of LNC members, while discharging their official duties, and of staff:

1. All collective deprecation, whether alluding to sex, race, color, national origin, disability, age, religion, or any other protected category, must be avoided.
2. Harassment, such as unwanted physical contact or prying into a person's private life, derogatory slurs, off-color jokes and innuendos, unwelcome comments about a person's body or appearance, leering, suggestive/derogatory behavior or objects, and the like, is prohibited. LNC members and staff members must exercise their own good judgment to avoid any conduct that may be perceived by others as harassment.
3. Sexual harassment, like other forms of harassment, is prohibited. Sexual harassment includes unwelcome sexual advances, requests for sexual favors or any other conduct of a sexual nature when: (1) submission to the conduct is made either implicitly or explicitly a condition of employment; (2) submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee; or (3) the harassment has the purpose or effect of unreasonably interfering with the employee's work performance or creating an environment that is intimidating, hostile or offensive to the employee.
4. Any interaction that might be interpreted as abusing the apparent employer-employee relationship must be avoided. This applies to interactions of LNC members with staff and is to be extended to interactions with any consultant hired by the LNC.

Toward ensuring that all LNC members are thoroughly familiar not only with this policy but also the ramifications of it, they must participate in a standard program of exposure to the issues raised by these concerns as developed by the LNC Chair in consultation with Counsel. This participation should be arranged at the earliest practicable opportunity after the person becomes an LNC member.

Any violation of this policy should be brought to the attention of the Chair or the Vice-Chair. In response to every complaint, the LNC will take prompt and necessary steps to investigate the matter and will protect the individual's confidentiality, as much as possible, recognizing the need to thoroughly investigate all complaints. The LNC will take corrective and preventative actions where necessary. The LNC will not retaliate against any individual who in good faith brings a complaint to the attention of the LNC or participates in an investigation regarding a complaint. Any employee who violates this policy is subject to discipline, up to, and including discharge. Violations of this policy, while discharging official duties, may result in disciplinary action against an LNC member.

4. A duration not exceeding six (6) months from note execution. If debt extinguishment is not possible in that time frame, no note shall be executed.

11) Special Events

The LNC or the Executive Committee may designate certain Party efforts as "special events." All revenues for special events must be promptly deposited into "special events" accounts dedicated for that purpose. All disbursements for special events must be made from these same accounts to the extent their balances permit. Other Party funds shall not be dispensed for these events without prior approval of the Chair, nor shall special events funds be used for

other purposes until all obligations relating to that event have been discharged. National conventions are special events.

The Executive Committee may, by a two-thirds (2/3) vote, redirect funds from these funds as it seems necessary for the good of the Party.

12) Targeted Reserve

The targeted Reserve shall be equal to the sum of all monthly occupancy, labor and governance expenses.

13) Treasurer's Reports

No later than the end of each calendar month, the Treasurer shall prepare a monthly Treasurer's Report to the LNC reflecting the Party's financial position and the results of its operations through the previous calendar month. The monthly Treasurer's Report shall include a listing of the year-to-date expenditures of the Chair's discretionary funds.

14) Debt and Capital Leases

The LNC and its staff may not incur debt, with the exception of trade payables, in excess of \$2,000, except with a two-thirds (2/3) vote of the LNC. This includes entering into binding lease agreements with aggregate payments totaling more than \$2,000.

Section 1.09 — Membership Policies

1) Membership Forms

Membership forms produced by the LNC shall include a membership statement that meets the requirements of Article 4, Section 1 of the Bylaws.

2) Life Membership

A member, as defined in the Bylaws, who contributes at least \$1,500 during any 365-day period shall be granted life membership in the Party.

3) Benefits

The LNC, the Convention Oversight Committee, and staff shall have the discretion to create and bestow additional benefits based on contribution levels.

4) Joint Membership in National and State Parties

Staff is authorized to develop agreements between the National Committee and a State Affiliate on joint membership, whereby the annual payment by a member to either the National Party or the State Affiliate of an amount that equals or exceeds the basic membership dues or donation amount of both parties, shall be treated as membership in both the National Party and the respective State party for one year. Staff shall ensure all such draft agreements comply with national policies and federal law and establishes clear obligations on both parties on the timely remittance of funds to the other party by whomever collects the dues. The Executive Committee shall approve such agreements with each affiliate before they enter into effect.

Section 1.10 — Party Communications

1) Official Spokesperson

The Chair represents and serves as the chief spokesperson of the Party as appropriate.

2) Graphic Symbols and Colors

The Statue of Liberty graphic and the Torch Eagle graphic are considered the appropriate graphic symbols to be used on Party materials. Yellow, black, and grey are the appropriate primary colors to be used on Party materials. The porcupine can be used in settings where it is typical for a graphical animal image to be used, such as in election coverages in races with the Democrats and Republicans in which the donkey and the elephant are used for their representations.

3) Assuring Quality Communications

If a majority of all LNC members notify the Secretary of their disagreement with the decision of the LNC Chair to override an official recommendation of the majority of the members of the APRC to remove a public communication, such notification to occur no later than seventy-two (72) hours after being notified by the APRC Chair of such a decision, the Secretary shall inform the Executive Director and LNC Chair of this finding, and such communication shall not be further disseminated, and to the extent possible, already-disseminated material shall be promptly removed from the public sphere.

Section 1.11 — Party Records

1) Proposed Agenda and Reports

The proposed agenda and all reports shall be distributed to the LNC at least five (5) days prior to the session. All reports shall be submitted in writing with only oral supplements given at any meeting.

2) Delegate Allocation Based on Presidential Votes

The Secretary shall distribute to each affiliate party chair and post on the Party website the presidential vote totals that the Secretary proposes to use for purposes of delegate allocation for national conventions as provided for in the Bylaws, no later than the last day of April in the year following a presidential election. If any Party member seeks a modification of the vote totals proposed by the Secretary, the member shall file with the Secretary a written request to modify the totals along with any documentation supporting the request no later than the last day of May of the same year. The Secretary shall review all such requests to modify the presidential vote totals and present to the LNC for approval or disapproval. The Secretary shall then distribute a final allocation of delegates based on presidential vote totals no later than the last day of July of the same year.

3) Document Distribution

The Secretary shall assure that the Bylaws, Platform, LNC agendas, minutes, electronic mail ballots, resolution updates, and other supporting material shall be available on the LP.org website.

4) Access to Corporate Records

Members of the LNC and the Audit Committee are entitled to inspect and copy books, records (including electronic records) and documents of the Libertarian National Committee, Inc. to the extent reasonably related to the performance of the member's duties to the corporation, including those duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the corporation. Prior to obtaining copies the member shall execute a standard nondisclosure agreement. If the member requires an outside professional to assist in reviewing and analyzing the materials, that individual shall also execute a standard nondisclosure agreement prior to receiving the materials.

Section 1.12 — Affiliate Relations

1) Affiliate Relationships

Special agreements extended to one (1) or more states, but not to all states require the approval of the LNC.

2) Data Sharing with Affiliates

A Non-Disclosure Agreement (NDA) shall be adopted by the LNC and maintained by the LPHQ, which shall require the protection of Personally Identifiable Information (PII) from abuse. This NDA shall:

- Require any person to sign the NDA prior to being given direct or indirect access to any PII data owned, co-owned, managed, or co-managed by LPHQ.
- Require that any person transmitting PII, or providing direct or indirect access to PII, verify that the recipient has signed the same NDA prior to that transaction.
- Prohibit sharing data in any manner that would provide an unfair advantage to any candidate for internal Party office or any external campaign that has not yet received official Party nomination.

The Customer Relationship Manager (CRM) exists as a service to maintain and share data of members, donors, and leads between LPHQ and participating state-level affiliates. The CRM is not to be used to manage a list of all voters. All transmission of PII shall be encrypted. Data specific to a state-level affiliate in the CRM shall be jointly co-owned by LPHQ and the relevant state Party affiliate. If a state-level affiliate exits the CRM program, they shall be entitled to an export of the data relevant to their affiliate. Through the CRM, LPHQ may, at its discretion, import data from state-level affiliates and any other users of the CRM. State-level affiliates shall be responsible for content creation and maintenance on the front-end website, and for manually entering contacts obtained from other sources.

State-level affiliates will provide a primary point of contact who will serve as the state administrator on the CRM. The state administrator shall be responsible for maintaining user access within a state-level affiliate and shall be required to ensure any other users of the CRM from their state-level affiliate have signed the NDA prior to receiving access to the CRM. LPHQ support of state affiliates using the CRM will be prioritized by the level of financial support the state affiliate provides for the project, on a schedule to be determined by LPHQ based upon available resources and agreed-upon service level agreements.

For states not participating in the CRM:

On a monthly basis, LPHQ will provide all state-level affiliates with an encrypted file containing membership and lead data in CSV or Excel format for the area covered by that affiliate, within the first five (5) business days of the month to the affiliate chair, or their designee(s); provided that the recipient has signed the NDA.

Section 1.13 — Candidates & Elected Officials

1) Qualifications for Party Support

The Party may financially support the candidacies of persons who meet the following requirements:

1. The requested contribution from the LNC is legal;
2. The candidate is a sustaining member of the national LP and a member in good standing of the state affiliate;
3. The candidate is legally qualified to hold the office and if partisan party registration is available, must be registered as Libertarian, and not registered with any other Party;
4. The candidate must have a professional quality website and email address under a campaign-related domain name;
5. The candidate has professional quality photos, especially a headshot and at least a one-minute video with audio of the candidate speaking;

9. The candidate has a written campaign plan with justifiable and quantifiable expected results (votes, recruits, money, media, etc.); and
10. The candidate will follow the national Party platform or clearly distinguish where their views differ.

2) Limitations on Party Support for Public Office

Party resources shall not be used to provide information or services for any candidate for public office prior to the nomination unless:

1. Such information or services are available and announced on an equal basis to all Libertarians who have declared they are seeking that nomination;
2. Such information or services are generally available and announced to all Party members; or
3. The service or candidate has been approved by the state chair.

3) Liability for Political Campaigns

The LNC will not be responsible for the debts incurred by future presidential campaigns or any other campaign. However, the LNC may vote to make monetary and non-monetary contributions to such campaigns under the limits prescribed by law. If such contributions are made, they shall be made only after such candidate or campaign has agreed to meet the reasonable financial and budgetary controls set by the LNC. No candidate or staff member of a campaign is permitted to place orders, make purchases, or sign contracts in any manner that would lead a person to assume that the LNC is liable for the debt.

Section 1.14 — Other Matters

1) International Representatives

The LNC may appoint one (1) or more individuals to serve as International Representatives, subject to the following:

1. The title is honorary, and does not convey any binding authority, unless specifically delegated by the LNC;
2. The International Representative serves at will and may be terminated by either party at will without cause;

The Chair shall provide advice and consent to the Executive Director on the appointment, employment, and termination of all LPHQ personnel.

3) Convention Speakers

No person shall be scheduled as a convention speaker unless that person has signed this statement:

This policy shall not apply to participation in a scheduled candidate debate or breakout session or panel discussion or similar non-major event. This policy shall not apply in the case where someone is exercising official duties (e.g., such as when the Treasurer presents their official report).

4) Permissible Use of Trademarks

The following are permitted to use the Party trademarks:

1. The Party and any recognized state-level affiliate and their properly chartered sub-affiliates.
2. Any other organization or group, that does not function as a party nor hold themselves out as a party, but identify as part of the Libertarian Party, such as caucuses or social groups formed in support of the Libertarian Party, provided the following:
 - a. Their leadership are members of a state Party and/or the national Party and their goals include supporting and recruiting members into the Party at a state and/or national level.
 - b. They take no stance contrary to the Party’s Statement of Principles;

Organizations which wish to become state-level affiliate parties shall apply for such status on a standard petition form as adopted by the National Committee, which petition shall be signed by no fewer than ten members of the Party residing in the appropriate state. Affiliate party status shall be granted only to those organizations which adopt the Statement of Principles and file a copy of their constitution and/or bylaws with the Party Secretary.

Section 202 — Ballot Access Committee Policies & Procedures

1) Executive Overview

The Ballot Access Committee (BAC) currently has no policies or procedures in place regarding the hiring and paying of signature gathering contractors and vendors. This is problematic because it makes compliance and passing third-party audits difficult. Additionally, there is no training, coordination, or expectation surrounding state affiliate points of contact or volunteers. A lack of process has led to confusion, miscommunication, frustration, unnecessary spending, budget issues, and inaccurate encumbrance estimates being presented to the Libertarian National Committee (LNC). This document is intended to alleviate many, if not all, of the aforementioned issues.

2) Vendors/Petitioners

Petitioners and vendors (whether internal or external) currently appear to be unaware of expectations surrounding their payment and reimbursement (the latter if applicable), i.e., who makes approvals, the needed documentation, expectations, points of contact, etc. As a result, the following recommendations are being proposed:

3) Required Criteria For Payment

- Signed contract w/full terms (between the petitioner/vendor and the LNC Chair)
- Current W-9
- Filled-out invoice w/proof of rendered services attached (i.e., scans of filled out petition pages)

4) Invoice Required Fields

- State or encumbrance petitioner is being paid for
- Name of the petitioner or vendor
- Payment information (e.g., ACH and mailing address)
- Compensation per signature based on contract (gross versus valid, if applicable)
- Number of signatures approved by BAC for payment
- Exact requested payment amount
- Signature of BAC Chair or their selected designee
- Signature of LNC Chair w/explicit written approval for disbursement

All invoice-required fields must be filled out in full before payment is rendered.

5) Required Criteria For Expenses Reimbursement

- Signed contract w/full terms (between the petitioner/vendor and the LNC Chair)
- Current W-9
- Filled out itemized approved expenses sheet w/attached receipts

6) Expenses Sheet Required Fields

- State or encumbrance petitioner is being reimbursed for

LNC Policy Manual Appendices

- Name of the petitioner or firm
- Payment information (e.g., ACH and mailing address)
- Itemized approved expenses w/attached receipts
- Exact requested reimbursement amount
- Signature of BAC Chair or their selected designee
- Signature of LNC Chair w/explicit written approval for disbursement

All expense sheet-required fields must be filled out in full before reimbursement is rendered.

7) Payment Communication (All)

- Petitioner or firm contract specifics are drafted by EPCC or LNC Counsel based on BAC recommendations (contracts are subject to change based on state, hired help, need, etc.)
- Petitioner or vendor submits invoice or expense sheet to BAC Chair
- BAC Chair presents request to BAC
- BAC-approved invoices or expense sheet (w/attached documentation) go to LNC Chair for explicit approval and signature
- All approved and signed invoices and expense sheets go to the LNC Executive Director
- Payment method is at the discretion of the LNC Executive Director (for compliance purposes)

At no time should any contractor or vendor contact the LNC Chair or LNC Executive Director directly requesting payment. All requests must be submitted to the BAC Chair. They will be the primary point of contact for payment.

8) Volunteers

Due to the LNC's limited resources, volunteers are vital to the success of any ballot access drive. Any and all volunteers willing to assist should be encouraged and welcomed. That being said, it is in the best interest of all parties for volunteers to have expectations properly established from the beginning, to be properly trained, and to have the support they need from their main point of contact. Volunteers donate their time, energy, and sometimes money because they believe in the Party or the cause. They deserve honesty and direction.

Collecting signatures is difficult. Simply put, it's not for everyone. One has to be personable, engaging, outgoing, and, most importantly, be able to handle rejection, difficult people, and contentious situations. This should be made abundantly clear to anyone looking to volunteer. While this could theoretically discourage some seeking to volunteer, it is important to be honest about what they need to do and can expect. Few things are more demoralizing than finding out that the "job description" was inaccurate and far more difficult or different than what was initially relayed.

One way to prevent "volunteer fatigue," discouragement, or general burnout for current or future ballot access drives is to ensure that volunteers receive proper training (whether virtually or in person) from someone with proper experience before they begin. Trainers

LNC Policy Manual

Appendices

should have current and relevant experience and be able to share best practices, tips, tricks, and any pertinent information that would make the volunteer more likely to succeed. An often-looked-over method to keep volunteers engaged and motivated is support. Often times, issues or questions arise in the field that one may not have thought to ask initially. Additionally, every state is a bit different, which means that there could be different processes that were initially unknown. Whoever the primary point of contact is for a particular ballot access drive should be in constant communication with volunteers and be available to offer guidance and assistance for anything that may come up. Without a proper support network or some semblance of accountability, the volunteer may determine the endeavor to not be worth their time, do a poor job, or drop off all together.

9) Training

Solid training is vital for volunteers and internal contractors who may be new but are approved because they are promising prospects. Training should include, but not be limited to:

- Needed supplied
- Basic petition etiquette
- Best practices
- A list of counties in the state
- Acceptable high foot-traffic public places to collect signatures, private establishments willing to allow it in or on their property (especially in poor weather), laws and regulations surrounding petition signature gathering in certain areas
- How the petition forms are required to be filled out to make them valid signatures
- Providing a series of elevator pitches (which would vary based on whether they're speaking Democrats, Republicans, or Independents, etc.)
- Understanding the difference between soft and hard "nos"
- How the petition forms are required to be filled out to make them valid signatures
- How to validate signatures at the end of collection day
- The point of contact they should be providing signature numbers to at the end of a collection day
- How petition pages should be turned in, who they should be turned into, and how often they should be turned in

10) Point of Contact

Every ballot access drive should have one primary point of contact. This person should be the one coordinating the efforts on the ground, contacting the Secretary of State, in charge of collecting all of the signatures, double-checking their validity, and submitting the physical petitions to the Secretary of State before the deadline. Furthermore, they should be tasked with keeping daily track of the gross and valid signatures for that drive and serving as the primary source of support for all volunteers and paid petitioners. This person should be the State Chair for that affiliate, or whoever they designate.

11) Contracts

Petitioner/Vendor contracts should contain, at a minimum, the following:

LNC Policy Manual Appendices

- General terms
- Payment per gross signature (if applicable)
- Payment per valid signature
- Reimbursement terms (if applicable): e.g., partial, full, etc.
- Reimbursement amount maximums (if applicable) including but not limited to, airport travel, flights, hotel room per night, food and beverage per day, rental car terms, and other necessary expenses as a direct result of the ballot access drive.
- A payment and reimbursement schedule
- Under what conditions the LNC can terminate the contract

12) Signature Audits

Signature validation should be done by both the petitioner and the primary point of contact to keep better track of the expected payment as well as the progress of the drive (as feasible per state).

Volunteers and paid petitioners should have access to Voter Gravity, L2, or some other method to validate their own signatures at the end of a collection day. This should additionally be verified by the primary point of contact for that respective drive to keep everyone honest and maximize accuracy. The latter should be done at least once a week to prevent a buildup.

13) General Best Practices

- An up-to-date list of volunteers should be kept on hand for every state affiliate requiring ballot access assistance. This will allow the BAC to reach out to state leadership or the volunteers directly and establish the expected level of commitment and signatures these volunteers are willing to provide, which will in turn allow the BAC to more accurately determine how much paid-outside help will be needed for any particular drive. Leadership and regular members of any respective affiliate requiring assistance should always be volunteers.
- When outside paid assistance is required, a variety of factors should be considered, including but not limited to experience, effectiveness, reputation, proximity, expediency, and personality (ability to work with or for others within their hired scope).
- The BAC Chair should be intimately familiar with the overall budget and particularly with its line item so that they may work within that budget.
- The BAC Chair should be in constant communication with the point of contact for any particular ballot access drive to determine as soon as possible whether additional or less assistance is required. This would help the LNC save money and would also prevent having to work ballot access drives up to the “11th hour,” which could result in stress and potential failure.
- Given the LNC’s limited resources, priority should be given to ballot access drives that are the likeliest to be successful given its parameters with the least amount of money and a strong point of contact and committee volunteers (i.e., help those who help themselves). Spending money in short supply on drives where local leadership is doing nothing and is likely to fail even with LNC assistance just for the sake of optics is fiscally irresponsible.

LNC Policy Manual

Appendices

The BAC Chair working with LNC Counsel, state leadership and the point of contact, should work on making formal requests to private businesses at the beginning of a ballot access drive, which would allow petitioners to collect signatures inside private businesses. This is particularly important in areas with unpredictable or suboptimal weather. Asks should also be made of indoor public spaces where possible. Recommendations on places with high foot traffic that should be targeted should be made by the State Chair, local leadership of the point of contact. A full list should be provided to volunteers upon confirmation and should be kept and updated for future use.
