**REGION I AGREEMENT
FOR THE LIBERTARIAN NATIONAL COMMITTEE
2026-2028 TERM**

The state affiliates of the Libertarian Party listed below, through their State Chairs ("Regional Chairs"), hereby form Region I ("The Region") for the purpose of electing a Regional Representative and a Regional Alternate ["Regional Representative(s)"] to the Libertarian National Committee ("LNC"). This agreement replaces any former or past agreements.

The establishment and affairs of The Region exist as a means to conduct related political activities in accordance with the LNC Bylaws to support the general goals and principles of the National Libertarian Party and the signatory state parties.

A Region is formed by gathering the signatures of the Regional Chairs with enough combined membership to qualify as a region. To facilitate the gathering of these signatures, they may appear on separate versions of this agreement and be dated up until the adjournment of the Regional Caucus at the 2026 Libertarian National Convention. All versions together shall constitute the entire final agreement. Any provision in this agreement referring to the Regional Representative equally applies to the Regional Alternate.

This agreement shall become effective upon filing the signed document(s) from among the participating states with the Secretary of the National Libertarian Party. After this agreement has come into effect and before nominations for Regional Representatives has been opened at the Regional Caucus, a state affiliate may join or withdraw from this agreement. Once nominations for Regional Representatives have opened, a state affiliate may join or withdraw from this agreement by written notification and written consent of all of the other state affiliate parties to this agreement.

I. REGIONAL REPRESENTATIVE ELECTION

The initial Representatives shall be elected at the Regional Caucus at the 2026 Libertarian National Convention by credentialed Delegates. Only Delegates residing in the proposed region and present may vote at the Regional Caucus. Attendance shall be taken and a copy of the attendance sheet shall be given to each Regional Chair and to the incoming LNC Secretary.

Delegates shall nominate Representatives from The Region present at the Regional Caucus at the Libertarian National Convention. The election for Regional Representative shall be filled before the nomination and election of the Regional Alternate. Each National Convention Delegate shall have one vote. If there is more than

FOR THE LIBERTARIAN NATIONAL COMMITTEE

one nominee for either office, voting shall be by roll call. The nominee for either office with the highest number of votes is elected.

II. QUALIFICATIONS OF REPRESENTATIVES

The Representatives must be Sustaining Members or Life Members of the National Libertarian Party and must maintain that status throughout their terms. Further, the Representatives must continuously maintain a Libertarian voter registration if that designation is available in their state and must not be a registered voter with any other political party. If either of these conditions are found to be lapsed, the Representative in question shall be considered to have resigned.

III. REMOVAL OF REPRESENTATIVES

Once the Representatives have taken office, removal may occur by any of the below processes:

1. A majority vote of all of the Regional Chairs;
2. A signed petition of a majority of all of the Delegates in attendance at the Regional Caucus with such signatures having been obtained within the past thirty (30) days prior to its submission to the Regional Chairs;

If a Representative is removed by a vote of the Regional Chairs or by petition of the Regional Delegates, that person shall be ineligible to serve as Representative for the remainder of the term.

VACANCIES IN REGIONAL REPRESENTATIVE POSITION

Vacancies are to be filled in the following manner:

1. If the position of Regional Representative becomes vacant, the Regional Alternate shall automatically assume the position of Regional Representative unless declined.
2. Vacancies in either position shall be decided by a majority vote of the Regional Chairs.

All resignations are effective upon email notification to the Regional Chairs requiring no further action on the part of the resigning Representative.

**REGION I AGREEMENT
FOR THE LIBERTARIAN NATIONAL COMMITTEE
2026-2028 TERM**

III. REGIONAL VOTING

To be valid, any vote by the Regional Chairs, must be done electronically and include:

1. All of the Regional Chairs or their designative representative; and
2. Have a voting period of at least three days.

The Representatives must make every effort to alert each Regional Chair or their designee to the existence of the ballot by phone or text.

VI. RESPONSIBILITIES OF THE REGIONAL CHAIRS

1. Remain engaged with the Regional Representatives and cast a vote on all items requested by the Regional Representatives.
2. Timely provide information or other support needed for the good of the Region as agreed upon by the Regional Chairs.
3. Clearly communicate expectations and issues with the Regional Representatives.

Any Regional Chair may further designate a representative to make decisions and be the point of contact for the purposes of this agreement unless express disallowed by their affiliate's bylaws.

III. RESPONSIBILITIES OF THE REGIONAL REPRESENTATIVES

First and foremost, the Representatives must remember that they represent the Region, and not their own interests, and their official conduct and actions must reflect well upon the Region. The Representatives should not move any business that is likely to be a matter of controversy without first consulting with the Regional Chairs or making a best effort to do so in a time-sensitive situation.

1. Diligently represent and advocate for the interests of the Regional States in their votes, debate, and participation in the business of the Libertarian National Committee as well as keeping to all of the fiduciary duties required by the Libertarian National Committee. The Representative shall pass along to the LNC any joint resolution or request for action passed by the majority of all of the Regional Chairs.

**REGION I AGREEMENT
FOR THE LIBERTARIAN NATIONAL COMMITTEE
2026-2028 TERM**

2. Consult with the Regional Chairs on critical votes and vote the will of the majority of all of the Regional Chairs when expressed.
3. Prepare a timely and thorough Regional Report for each regular LNC meeting and make a good faith effort to confer with each of the Regional Chairs prior to the production of the Regional Report, such effort to comprise more than a cursory email asking for an update.
4. Attend each meeting of the Libertarian National Committee. Failure to attend two regular meetings as defined by the national Libertarian Party's Policy Manual shall be deemed an automatic resignation as per the national Libertarian Party Bylaws. The Regional Representative and the Regional Alternate may alternate in-person meeting attendance to conserve costs.
5. Timely resign if at any time the Representative feels they cannot fulfill any of these responsibilities.
