Discussion of Rule #2 in LPNC Members (official) page. Mr. Irving suggested in the page that the individual might want to consider a candidate within the Democrat Party primary that aligns with us on an issue. Same post was taken down based on Rule #2. Jonathan Hopper states that it should not be problematic for a UNA that is liberty leaning to support a member of an opposite party if no Libertarian is running in that race.

Adjournment at 21:13

respectfully submitted,  
Reid Deal, Acting Secretary
