Date and Time: Tuesday, 18 March 2025 at 4:30pm Mountain time

Where: Online: Zoom

Committee Attendees: Caryn Ann Harlos, Joe Dehn, James Gholston, Sam Bohler, Andrew Kolstee (arrived after approval of minutes)

Other Attendees: none

The meeting was called to order at 4:34pm Mountain time.

Records of Previous Meetings: The minutes of the 18 February and 4 March meetings were approved without objection.

General LPedia: Caryn Ann reported that she has been updating the collection of affiliate bylaws. She also noted that Michael Chastain has been making updates, mostly about candidates, and said it's good to have him interested in LPedia since he is a major donor.

Storage Unit: Caryn Ann said that there has been no further word from Steve Nekhaila, or anyone on the LNC, regarding storage costs.

Site Statistics: There was discussion of collecting statistics from the period since 2017; Sam will look into what information is still available from past years via Google Analytics; Joe mentioned that Ed provided reports for a lot of that time that could be used as a source.

Site Technical: There was discussion of various outstanding issues: still waiting for MyWikis to install the "anniversary logo"; the question of viewing vs. downloading PDFs; how to determine if the email messages to new users are working; an observation that the info pages for recently uploaded documents don't show as being referenced anywhere, even though there are references to them. (This might

be related to a more general issue of updating of special pages or might be related to how the files are being referenced, e.g., through templates.)

Libertarian History Month: It was mentioned that somebody is promoting the idea of March being "Libertarian History Month".

The meeting was adjourned at 4:59pm Mountain time.
