PARTY HISTORICAL PRESERVATION COMMITTEE

MEETING SUMMARY December 15, 2025

- Date and Time:** Monday, 15 December 2025 at 7:15pm Eastern time
- Where:** Online: Zoom
- Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Sam Bohler, James Gholston (arrived during site statistics topic), Andrew Kolstee
- Other Attendees:** none

The meeting was called to order at 7:16pm Eastern time.

Records of Previous Meetings: The minutes of the 17 November meeting were approved without objection.

Site Statistics: Sam reported that articles relating to the LP of Colorado were among the most popular; Caryn Ann said everybody on the new state board now has an LPedia account. Sam also mentioned that for the first time he noticed references from ChatGPT; it's not clear how that happens given the CloudFlare blocking, but it's probably something we want to be happening.

Site Technical: Caryn Ann said it's probably not worth trying to deal with the CloudFlare problem by looking for alternatives to MyWikis since switching providers would be difficult given current LNC financial issues; James suggested that having another copy of the site might be useful; Sam said we need to talk with MyWikis about the problem.

Storage Unit: Caryn Ann reported that had returned the button cases to the storage unit but hadn't had time to do much else there. Sam said that at the recent LNC meeting the question of whether donor plaques from the headquarters had been saved; Caryn Ann confirmed that we have those, but said we do not have "the bell"; it's not clear exactly what that was but she thinks it might be among the things that Steve Dasbach was able to rescue.

Convention Memorial Committee: It may turn out that Susan Hogarth won't be able to do much on this at the convention because she will be busy with other things, e.g., the Credentials Committee.

Budget: Sam reported that the budget adopted at the recent LNC meeting includes \$6000 for our committee, most of which will have to cover the expenses for LPedia and the storage unit, with the expectation that we will also raise that amount. Sam said he personally will be donating toward this and is working on finding other donors.

The meeting was adjourned at 7:49pm Eastern time.
