## PARTY HISTORICAL PRESERVATION COMMITTEE

MEETING SUMMARY      April 20, 2026

**Date and Time:**      Monday, 20 April 2026 at 8:00pm Eastern time

**Where:**      Online: Zoom

**Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Sam Bohler, James Gholston, Andrew Kolstee, Lisa Gansky

**Other Attendees:**      Eric Lund

The meeting was called to order at 8:00pm Eastern time.

**Kansas:** Eric Lund, Secretary of the Kansas affiliate, said he was given several boxes of material some of which dates back to the 1970s; Caryn Ann told him it would be better to send them than to throw them out but in general we prefer that state parties work on sorting and scanning these kinds of things themselves.

**Records of Previous Meetings:** The minutes of the 23 March meeting were approved without objection.

**Site Statistics:** Sam reported that there was a significant spike in traffic that then dropped again to a more typical level.

**Site Technical:** Sam reported that he had continued to work with MyWikis on the CloudFlare "verification" issue and that they just now turned off something called "under attack mode"; this change will likely reduce the annoying amount of verification but may also result in slower response.

**Alabama:** Sam reported that they had their state convention and he created an article for it and will be uploading photos and other information about it.

**Colorado:** Caryn Ann commented on how things went at their recent state convention, including the fact that there is going to be a contested Libertarian primary for Secretary of State.

**Florida:** Lisa commented on how things went at their recent state convention.

**New York:** Andrew commented on their recent state convention including the fact that they ended up with NOTA as their candidate for Governor.

**M. L. Hansen:** Caryn Ann reported getting a call about Mary Louise Hansen, an early national Vice Chair, who might have material from that era.

**Convention Memorial Committee:** Lisa said she needs to step back from this, that she will not be attending the convention, and that anything relating to this project should be referred to Susan Hogarth.

**Site Technical (continued):** James noted that when he is logged out he cannot see the "recent changes" list; it is not clear whether it's supposed to work this way and Sam said he would look into whether that is a setting that can be changed.

The meeting was adjourned at 8:49pm Eastern time.
