

LIBERTARIAN PARTY

BADLANDS REGION FORMATION AGREEMENT

The state affiliates of the Libertarian Party listed below hereby form a representative region for the purposes of electing the number of members and alternates of the Libertarian National Committee that are allocated by the Libertarian Party bylaws to the region based on the number of national party members associated with the region.

To facilitate the gathering of signatures, signatures may appear on separate versions of this agreement. All versions together shall constitute the agreement.

A regional caucus shall be held at each regular national convention. Each registered National Convention delegate of states party to this agreement who are present at the caucus shall have one vote. If there is more than one nominee for any office, voting shall be by ballot.

This agreement shall become effective upon filing with the Secretary of the national Libertarian Party a number of versions of this agreement signed by states with enough national party sustaining members to form a representative region. After this agreement has come into effect and before nominations have been opened at the regional caucus, a state affiliate may join or withdraw from this agreement with the written consent of a majority of the other state affiliates party to this agreement. If the bylaws of the national Libertarian Party so permit. Once nominations have opened, a state affiliate may join or withdraw from this agreement with the written consent of all other state affiliates party to this agreement if the bylaws of the national Libertarian Party so permit.

Any state affiliate shall be considered withdrawn from this agreement with a three-fifths ($\frac{3}{5}$) vote by their respective state party committee in favor of withdrawing and upon notification of the vote to the other state affiliate parties in this agreement as well as LNC Secretary. Any state affiliate which has withdrawn during this LNC term and wishes to rejoin shall be again considered a party to this agreement upon a three-fifths ($\frac{3}{5}$) vote in favor by state party committees party to this agreement and upon LNC Secretary being notified.

The term of office for a regional representative or alternate shall commence at the close of the convention at which a representative region may be formed and shall end at the close of the next convention at which a representative region may be formed.

Once the elections have been completed, a person elected as a regional representative member or alternate of the LNC may be removed from office by:

- 1) a vote of the region's registered national convention delegates at a regional caucus, or
- 2) the vote in favor of removal by state chairs, after a majority vote in favor of removal by each respective state party committee, who are both:
 - a) a majority of the state chairs in the region and
 - b) states which had at least one third ($\frac{1}{3}$) of the national party sustaining members in the region as determined for the formation of this region.

A vacancy may be filled by:

- 1) a vote of the region's registered national convention delegates at a regional caucus, or
- 2) the vote in favor of appointment by state chairs, after a majority vote in favor of appointing by each respective state party committee, comprising a majority of the state chairs in the region without regard to the number of sustaining members in each state.

Any vote of state chairs under this agreement shall be conducted by written or electronic ballot, including email ballot. The ballot shall be sent to all state chairs eligible to vote, shall state the exact question to be voted on, the threshold required for adoption, and the date and time at which voting closes. The voting period shall remain open for at least three days unless all eligible state chairs have voted or waived their right to vote in writing. A state chair may change their vote before the close of the voting period. Abstentions and failures to respond shall not count as votes in favor. Upon conclusion of the voting period, the result shall be certified in writing to all state chairs party to this agreement and, where the vote concerns withdrawal, rejoining, removal, or filling a vacancy, to the LNC Secretary.

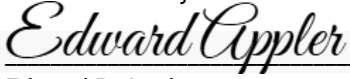

The Libertarian Parties of the states of Alabama, Florida, Georgia, North Dakota, and South Dakota agree, in accordance with the terms above, to enter into a representative region.

The undersigned attest they are authorized by their state party bylaws to enter into this agreement and contractually bind their state party thereby.
