CHAIR'S MESSAGE

Evan McMahon

Chair, Libertarian Party

The Spark is one of many new initiatives we are happy to bring you under the LPNews umbrella, to keep you up-to-date and engaged with everything happening in the Libertarian Party. Please, let us know if there is anything you want to see included. I want all of you both informed and involved in the Party, so I am inviting you to not only submit your feedback, but consider becoming a contributor.

Additionally, we are excited to have released a redesigned home page on our website, lp.org, just in time for the elections. This is one of the many things we are working on to bring you a professional outward presentation that reflects all the good work our team has been doing internally.

We are in the full swing of campaign season, with the election only 11 days away, and I hope you have all voted or made a plan to vote. As I have said in many places, I want to offer my deepest, heartfelt thanks to all our

candidates, volunteers, donors, and everyone who is promoting the campaigns of the people who are at the front of the Liberty movement right now, running for office.

In Liberty,

Evan

MARK YOUR CALENDAR

Election Night Livestream

Tuesday, November 3, from 8-11:30 PM ET, come join the Libertarian Party on X, YouTube, and Facebook as we livestream election results. Hosted by Communications Director Rob Yates and *Are You Smarter Than A Politican* host Daniel "Free" O'Connell, we will visit with a number of campaign parties, candidates, and people who worked within the Party or through media to promote our candidates.

OPPORTUNITIES

Call for 2028 Memorial Subcommittee Volunteers

Preserving Our Past and Honoring Those We've Lost: The Historical Preservation Committee has put out a call for volunteers to work on the 2028 Memorial Subcomittee, and help create the tribute to our fallen Liberty warriors at the next national convention in El Paso.

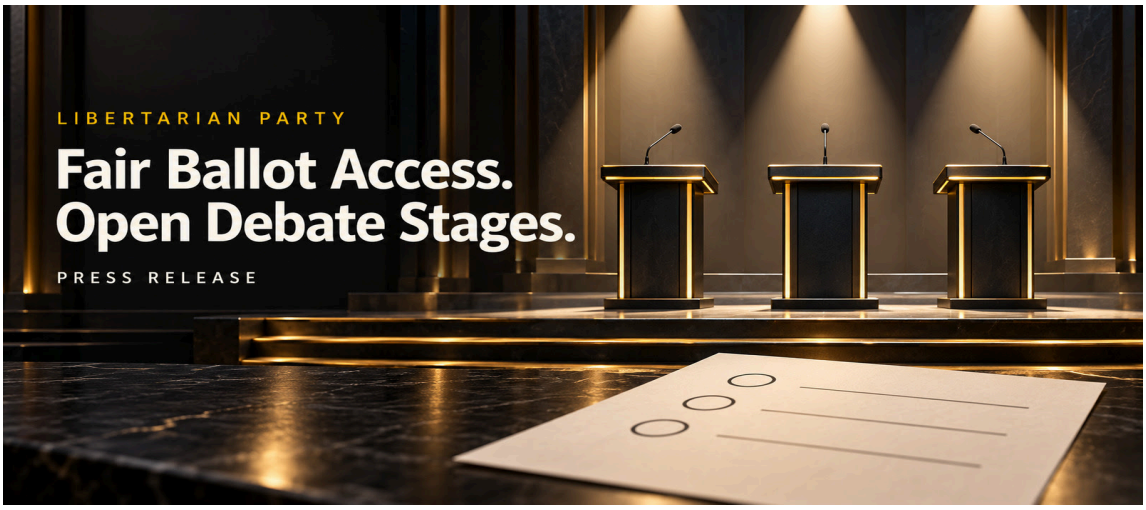

Find more information on LPedia, or email LPedia@LP.org to volunteer for the 2028 Memorial Subcommittee (include any relevant skills such as research, video editing, or writing) or to submit names, dates of death, short biographical notes, photos, videos, or links to obituaries.

CANDIDATE CORNER

Meet our candidates

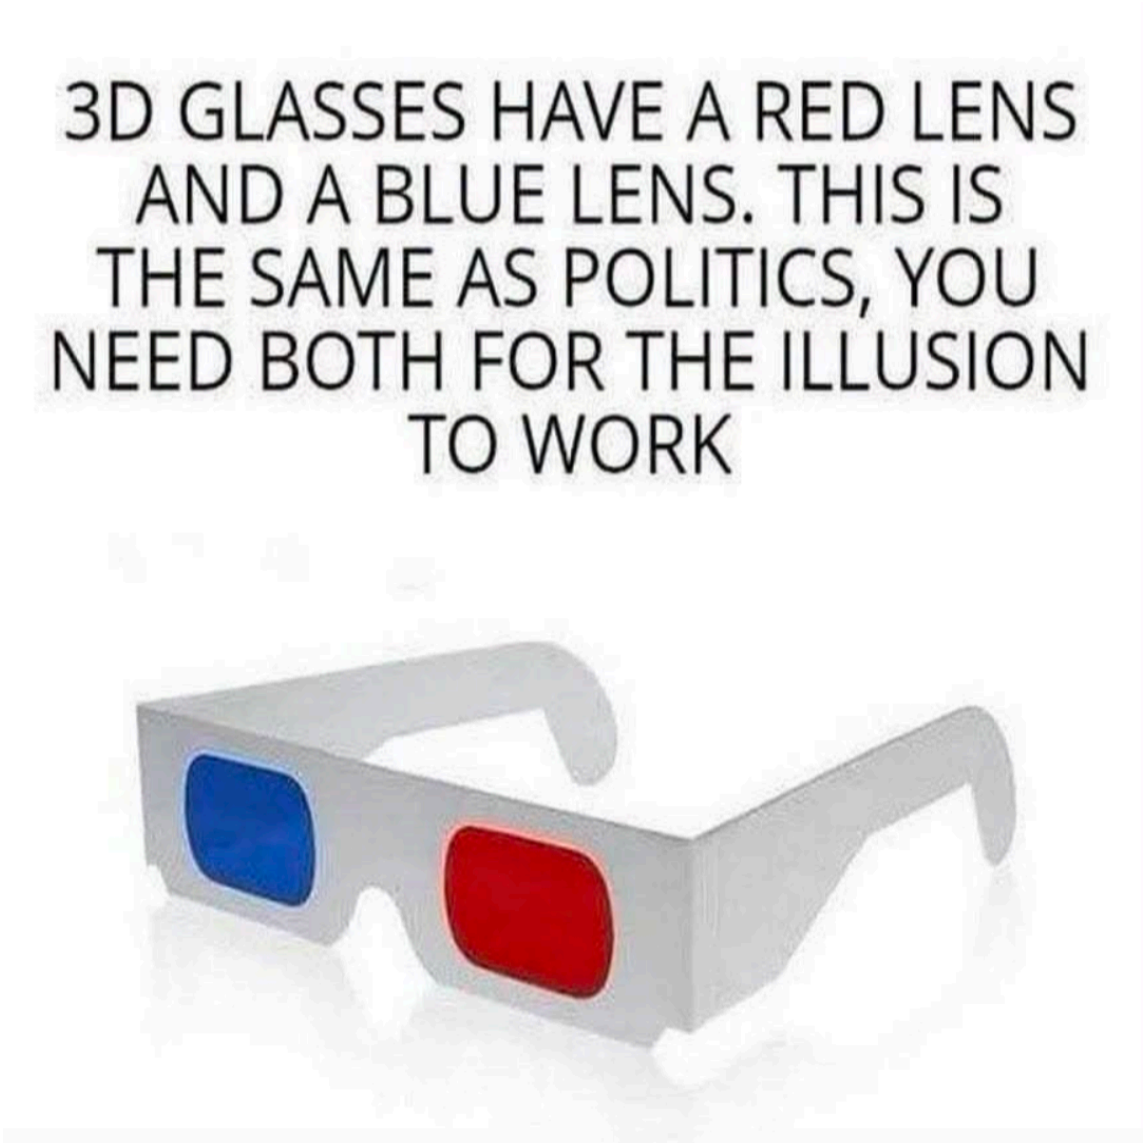

Come meet the people who have dedicated their time and money to running for office under the Libertarian banner. As we enter the home stretch of the election, they need help more than ever, so, if you can, volunteer for a campaign to make phone calls, place yard signs, work polling locations, door knock, or lend whatever skills you can to help get our candidates across the finish line.
